This request is for an extension of the information collection for the requirements that are contained in the regulations § 668.164—Disbursing funds. The regulations require that an institution that makes direct payments to a student or parent by electronic funds transfer (EFT) and that chooses to enter into an arrangement described in 668.164(e) or (f), including an institution that uses a third-party servicer to make those payments, must establish a selection process under which the student chooses one of several options for receiving those Title IV, HEA fund payments. There has been no change to the regulations.
