DEPARTMENT OF COMMERCE

International Trade Administration

(A-570-846)

Brake Rotors From the People's Republic of China: Preliminary Results and Partial Rescission of the Sixth Administrative Review and Preliminary Results and Final Partial Rescission of the Ninth New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of preliminary results and partial rescission of the sixth administrative review and preliminary results and final partial rescission of the ninth new shipper review.

SUMMARY: SUMMARY: The Department of Commerce ("the Department") is

currently conducting the sixth administrative review and ninth new shipper review of the antidumping duty order on brake rotors from the People's Republic of China ("PRC") covering the period April 1, 2002, through March 31, 2003. The administrative review examines 20 exporters, five of which are exporters included in five exporter/producer combinations. The new shipper review covers two exporters.¹

We have preliminarily determined that no sales have been made below normal value ("NV") with respect to the exporters who participated fully in these reviews. If these preliminary results are adopted in our final results of these reviews, we will instruct Customs and Border Protection ("CBP") to assess antidumping duties on entries of subject merchandise during the period of review ("POR") for which the importer-specific assessment rates are above *de minimis*.

Interested parties are invited to comment on these preliminary results. We will issue the final results no later than 120 days from the date of publication of this notice.

EFFECTIVE DATE: March 5, 2004.

FOR FURTHER INFORMATION CONTACT:

Brian Smith, Terre Keaton and Margarita Panayi Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone: (202) 482-1766, (202) 482-1280 and (202) 482-0049, respectively.

SUPPLEMENTARY INFORMATION:

Background

The Department received timely requests from Laizhou City Luqi Machinery Co., Ltd ("Luqi") on April 29, 2003, and from Qingdao Rotec Auto Parts Co., Ltd. ("Rotec") and Anda Industries Co., Ltd. ("Anda") on April 30, 2003, for new shipper reviews of this antidumping duty order in accordance with 19 CFR 351.214(c).

On April 30, 2003, the petitioner² requested an administrative review pursuant to 19 CFR 351.213(b) for 20 exporters,³ five of which are included in

five exporter/producer combinations⁴ that received zero rates in the less-than-fair-value ("LTFV") investigation and thus were excluded from the antidumping duty order only with respect to brake rotors sold through the specified exporter/producer combinations.

On May 16, 2003, Luqi, Rotec and Anda agreed to waive the time limits applicable to the new shipper review and to permit the Department to conduct the new shipper review concurrently with the administrative review.

On May 21, 2003, the Department initiated an administrative review covering the companies listed in the petitioner's April 30, 2003, request (*see Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 68 FR 27781 (May 21, 2003)).

On May 30, 2003, the Department initiated a new shipper review of Anda, Luqi and Rotec (*see Brake Rotors from the People's Republic of China: Initiation of the Ninth New Shipper Antidumping Duty Review*, 68 FR 33675 (June 5, 2003)).

On June 5, 2003, the Department issued a questionnaire to each company listed in the above-referenced initiation notices.

On June 17, 2003, the Department provided the parties an opportunity to submit publicly available information for consideration in these preliminary results. Also on June 17, 2003, Anda timely withdrew its request for a new shipper review. Accordingly, we rescinded the new shipper review with respect to Anda on July 8, 2003 (*see Brake Rotors from the People's Republic of China: Notice of Partial Rescission of*
