SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on November 20, 2015, based on a complaint filed by Diebold Incorporated and Diebold Self-Service Systems (collectively, "Diebold"). 80 FR 72735-36 (Nov. 20, 2015). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain automated teller machines, ATM modules, components thereof, and products containing the same by reason of infringement of certain claims of six United States Patents, including U.S. Patent No. 6,082,616 ("the '616 patent"); and U.S. Patent No. 7,832,631 ("the '631 patent"). *Id.* The notice of investigation named as respondents Nautilus Hyosung Inc. of Seoul, Republic of Korea; Nautilus Hyosung America Inc. of Irving, Texas (collectively, "Nautilus"); and HS Global, Inc. of Brea, California ("HS Global"). *Id.* at 72736. The Office of Unfair Import Investigations was not named as a party. *Id.* Nautilus Hyosung Inc. subsequently changed its name to Hyosung TNS Inc. See Commission Order Amending the Remedial Orders at 1 n.1 (Aug. 13, 2019).

On May 19, 2017, the Commission terminated the investigation with a finding of violation of section 337 as to certain claims of the '616 patent and '631 patent. 82 FR 24143-44 (May 25, 2017). The Commission issued a limited exclusion order prohibiting the entry of infringing automated teller machines, ATM modules, components thereof, and products containing the same, and (2) cease and desist orders directed to each of the three respondents. *Id.* at 24144. On August 13, 2019, the Commission amended the remedial orders to remove

the references to the '616 patent, which had expired on June 2, 2018. Order at 2 (Aug. 13, 2019); see generally *Hyosung TNS Inc. v. ITC*, 926 F.3d 1353, 1359 (Fed. Cir. 2019) (finding any disputes concerning the '616 patent to have been mooted by that patent's expiration).

On December 1, 2021, Diebold and Nautilus jointly filed confidential and public versions of a petition to rescind all of the remedial orders based on a settlement agreement. No responses to the petition were filed. Despite that HS Global is not a party to the settlement, Diebold and Nautilus seek the rescission of the remedial orders in their entirety. Diebold and Nautilus also moved that service among the private parties of the settlement agreement be limited to Diebold and Hyosung, and not to HS Global. The Commission has determined to grant that request concerning service.

Having reviewed the petition and determined that it complies with Commission rules, see 19 CFR 210.76(a)(3), the Commission has determined to institute a rescission proceeding and to grant the petition. The LEO and the CDOs directed to each of the three respondents are hereby rescinded.

The rescission proceeding is terminated.

The Commission vote for this determination took place on December 20, 2021.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: December 21, 2021.

Lisa Barton,

Secretary to the Commission.

The complaint, as supplemented, alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, based upon the importation, sale for importation, and sale in the United States after importation of certain networking devices, computers, and components thereof that allegedly infringe certain claims of U.S. Patent No. 8,687,573. *Id.* The complaint further alleged that an industry in the United States exists, or is in the process of being established, as required by section 337. *Id.* The notice of investigation named F5 Networks Inc. of Seattle, Washington as the respondent. *Id.* at 44747. On December 3, 2021, the presiding administrative law judge issued Order No. 11, granting the joint motion to terminate the investigation on the basis of settlement. The ID found that the motion complies with the requirements

of Commission Rule 210.21 (19 CFR 210.21(a), (b)) and that there is no evidence that indicates that termination would adversely affect the public interest. No party filed a petition for review of the ID.

The Commission has determined not to review this ID. Accordingly, the investigation is terminated.
