SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Ginnie Mae Digital Collateral Program.

OMB Approval Number: 2503–0034.

Type of Request: Revision of a currently approved collection.

Form Number: HUD–11701A; HUD–11701B; HUD–11708SI.

Description of the need for the information and proposed use:

Adapting to the needs of the industry, Ginnie Mae is permitting the securitization of mortgage loans where the note is an eligible eNote. The forms in this request are new forms that are necessary due to the unique requirements of managing eNotes and eMortgages. This collection permits

Ginnie Mae to verify: (1) that eIssuers and eMortgages have the specialized knowledge and experience to participate; (2) that eIssuers and eCustodians have the technological capability to service eMortgages and safeguard eMortgage documents; (3) the name and location of the entities responsible for the various Ginnie Mae accounts and eMortgage documents, and (4) those entities that are responsible for servicing the eMortgages that back the Ginnie Mae pools. Ginnie Mae needs this information to mitigate risk and evaluate its business operations, procedures and programs, and assist lenders in processing borrower requests more efficiently. Ginnie Mae also requires the collection of information to ensure that there are no deficiencies, which could affect the pass through of securities to its investors.

Based upon feedback received about the eIssuer Application form (HUD–11701A), we have revised the instructions. The only revision is to the form's instructions which now address subservicing by the eIssuer Applicant.

Information collection	Number of respondents	Frequency of response	Responses per annum	Burden hour per response	Annual burden hours	Hourly cost per response	Annual cost
eIssuer Application (HUD–11701A)	20	1	20	.5	10	\$32	\$320
