AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to the Tariff Act of 1930 to determine whether revocation of the countervailing duty order on steel propane cylinders from China and the antidumping duty orders on steel propane cylinders from China and Thailand would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date.

DATES: October 4, 2024.

The Commission found that both the domestic interested party group response and the respondent interested party group response from Thailand to its notice of institution (89 FR 54531, July 1, 2024) were adequate, and determined to conduct full reviews of the orders on imports from Thailand. The Commission also found that the respondent interested party group response from China was inadequate but determined to conduct full reviews of the orders on imports from China in order to promote administrative efficiency in light of its determination to conduct a full review of the order with respect to Thailand. A record of the Commissioners' votes will be available
