

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 46 U.S.C. 70041; 33 CFR 1.05–1.

■ 2. Add § 100.T599–0325 to read as follows:

§ 100.T599–0325 Special Local Regulation; Atlantic Ocean, Atlantic City, NJ.

(a) *Regulated area.* All navigable waters of Atlantic Ocean near Atlantic City, NJ, within a polygon bounded by the following: originating on the shore line at approximate position latitude 39°21'51" N longitude 074°24'26" W; thence southeast to approximate position 39°20'43" N longitude 074°24'04" W; thence southwest to approximate position to latitude 39°20'03" N, longitude 074°26'29" W; thence northwest to the shoreline at approximate position latitude 39°20'49" N, longitude 074°27'05" W; thence northeast along the shoreline to the point of origin. These coordinates are based on World Geodetic System (WGS 84).

(1) *Spectator area.* All navigable waters of Atlantic Ocean near Atlantic City, NJ, within a polygon inside the regulated area bounded by the following: beginning at approximate position latitude 39°20'45" N, longitude 074°25'33" W; thence northeast to approximate position latitude 39°21'00" N, longitude 074°24'44" W; thence southeast to approximate position latitude 39°20'50" N, longitude 074°24'39" W; thence southwest to approximate position latitude 39°20'35" N, longitude 074°25'28" W; thence northwest to the point of origin. These coordinates are based on World Geodetic System (WGS 84).

(b) *Definitions.* As used in this section—

Captain of the Port Representative or COTP Representative means a commissioned, warrant, or petty officer of the Coast Guard designated by name by the Captain of the Port to verify an event's compliance with the conditions of its approved permit.

Event Patrol Commander or Event PATCOM means a commissioned, warrant, or petty officer of the Coast Guard who has been designated by the respective Coast Guard Sector—Captain of the Port to enforce the regulations in paragraph (d) of this section.

Non-participant means a person, or a vessel not registered with the event

sponsor either as a participant or an official patrol vessel.

Official patrol vessel or official patrol means any vessel assigned or approved by the respective Captain of the Port with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign, or any state or local law enforcement vessel approved by the Captain of the Port in accordance with current local agreements.

Participant means any person or vessel registered with the event sponsor as participating in the event or otherwise designated by the event sponsor as having a function tied to the event.

Spectator area means an area bound by coordinates provided in latitude and longitude within the regulated area that outlines the boundary of an area reserved for non-participant vessels watching the event.

(c) *Patrol of the marine event.* The COTP may assign one or more official patrol vessels, as described in § 100.40, to the regulated event. The Event PATCOM will be designated to oversee the patrol. The patrol vessel and the Event PATCOM may be contacted on VHF–FM Channel 16. The Event PATCOM may terminate the event, or the operation of any vessel participating in the marine event, at any time if deemed necessary for the protection of life or property.

(d) *Regulations.* (1) *Controls on vessel movement.* The Event PATCOM or official patrol vessel may forbid and control the movement of all persons and vessels in the regulated area(s). When hailed or signaled by an official patrol vessel, the person or vessel being hailed must immediately comply with all directions given. Failure to do so may result in expulsion from the area, citation for failure to comply, or both.

(2) *Directions, instructions, and minimum speed necessary.* (i) The operator of a vessel in the regulated area must stop the vessel immediately when directed to do so by an official patrol vessel and then proceed only as directed.

(ii) A person or vessel must comply with all instructions of the Event PATCOM or official patrol vessel.

(iii) A vessel operator may request permission to enter and transit through a regulated area by contacting the Event PATCOM or official patrol vessel on VHF–FM channel 16. When authorized to transit through the regulated area, the vessel must proceed at the minimum speed necessary to maintain a safe course that minimizes wake near the event area.

(3) *Spectator area.* Non-participants are only allowed inside the regulated

area if they remain within a designated spectator area or have authorization from the Event PATCOM or official patrol vessel to transit through the area. A non-participant vessel must be stationary or operate at a safe speed while within the designated spectator area. On scene official patrol vessels or the Event PATCOM will direct non-participant vessels to the spectator area. A non-participant must contact the Event PATCOM or official patrol vessel to request permission to pass through the regulated area. If permission is granted, the non-participant must pass directly through the regulated area at minimum speed necessary to maintain a safe course that minimizes wake and without loitering.

(4) *Regulated area.* Non-participants are only allowed inside the regulated area to pass through or enter and remain within a designated spectator area. A non-participant must contact the Event PATCOM or an official patrol vessel to request permission to either enter the spectator area or pass through the regulated area. If permission is granted, the non-participant may enter the spectator area or pass directly through the regulated area as instructed by the Event PATCOM or official patrol vessel at minimum speed necessary to maintain a safe course that minimizes wake and without loitering.

(5) *Postponement or cancellation.* The COTP, or Event PATCOM may postpone or cancel a marine event at any time if, in the COTP's sole discretion, the COTP determines that cancellation is necessary for the protection of life or property.

(e) *Enforcement period.* This section is subject to enforcement from 10 a.m. to 6 p.m. on June 8, 2025.

Dated: May 14, 2025.

33 CFR Part 165

[Docket Number USCG–2025–0184]

RIN 1625–AA00

Safety Zone; Fireworks Display, Delaware River, Philadelphia, PA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for waters of Delaware River, near Pleasant Hill Park, in Philadelphia, PA for a barge-based fireworks display on July 4, 2025. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by a fireworks display. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port, Sector Delaware Bay (COTP).

DATES: This rule is effective from 9 p.m. on July 4, 2025, until 10 p.m. on July 5, 2025. It will only be enforced, however, from 9 p.m. to 10 p.m. on July 4, or from 9 p.m. to 10 p.m. on a rain date of July 5.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2025–0184 in the search box and click “Search.” Next, in the Document Type column, select “Supporting & Related Material.”

FOR FURTHER INFORMATION CONTACT: If you have questions about this rule, call or email Petty Officer Emmanuel E. Melendez, Sector Delaware Bay, Waterways Management Division, U.S. Coast Guard; telephone (206) 815–6688, option 3, email SecDelBayWWM@uscg.mil.

NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule under the authority in 5 U.S.C. 553(b)(B). This statutory provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” The Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable to do so. There is insufficient time to notice the rule, allow for a reasonable comment period, and publish a rule, given that the rule must be in force by July 4, 2025, to serve its purpose.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The COTP has determined that the potential hazards associated with a barge-based fireworks display will be a safety concern for anyone within 300 yards of the barge. The purpose of this rule is to ensure the safety of vessels and people in the navigable waters in the safety zone before, during, and after a barge-based fireworks display.

IV. Discussion of the Rule

The COTP is establishing a safety zone which will be enforced from 9 p.m. through 10 p.m. on July 4, 2025, or a rain date of July 5, 2025, or a rain date of July 5, 2025, from 9 p.m. through 10 p.m. The COTP, or a designated representative, will inform the public through written Local Notice to Mariners, Broadcast Notice to Mariners via VHF–FM marine channel 16, of any adjustments to the enforcement periods of the safety zone. The safety zone will cover all navigable waters within 300 yards of a barge on the Delaware River located near Pleasant Hill Park, in Philadelphia, PA. The coordinates of the safety zone are provided in the proposed language of the rule, below. The duration of the zone is intended to ensure the safety of vessels and these navigable waters before, during, and after the scheduled 9 p.m. to 10 p.m. fireworks display. No vessel or person would be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under section 3(f) of Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the following factors: (1) although persons and vessels may not enter, transit through, anchor in, or remain within the safety zone without authorization from the COTP or a

designated representative, they may operate in the surrounding area during the enforcement period; (2) persons and vessels will still be able to enter, transit through, anchor in, or remain within the regulated area if authorized by the COTP; and (3) the Coast Guard will provide advance notification of the safety zone to the local maritime community by Local Notice to Mariners and Broadcast Notice to Mariners.

B. Impact on Small Entities

The regulatory flexibility analysis provisions of the Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, do not apply this rule. They do not apply because this rule fits a 5 U.S.C. 553(b)(B) good-cause exception for notice-and-comment rulemaking. Therefore, we were not required to publish a notice of proposed rulemaking.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the

various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone lasting approximately 1 hour that will prohibit entry within 300 yards of a fireworks barge. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3.

- 2. Add § 165.T05–0184 to read as follows:

§ 165.T05–0184 Safety Zone; Fireworks Display, Delaware River, Philadelphia, PA.

(a) *Location.* All navigable waters within 300 yards of a barge in the Delaware River located at approximate position latitude 40°2′22″ N longitude 074°59′22.67″ W.

(b) *Definitions.* As used in this section, designated representative means a Coast Guard Patrol Commander, including a Coast Guard petty officer, warrant or commissioned officer on board a Coast Guard vessel or on board a federal, state, or local law enforcement vessel assisting the Captain of the Port (COTP), Sector Delaware Bay in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) To seek permission to enter or remain in the zone, contact the COTP or the COTP's representative via VHF–FM channel 16 or 215–271–4807. Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(3) No vessel may take on bunkers or conduct lightering operations within the safety zone during its enforcement period.

(4) This section applies to all vessels except those engaged in law enforcement, aids to navigation servicing, and emergency response operations.

(d) *Enforcement.* The U.S. Coast Guard may be assisted in the patrol and enforcement of the safety zone by Federal, State, and local agencies.

(e) *Enforcement period.* This zone will be enforced from approximately 9 p.m. through 10 p.m. on July 4, 2025, or a rain date of July 5, 2025.

Dated: May 14, 2025.
