BILLING CODE 4910-15-P

DATES: *Effective Date:* This final rule is effective on May 7, 2008. The incorporation by reference of Issue 300, dated January 8, 2006, of the DMM and Issue 300 dated July 15, 2007, of the DMM is approved by the Director of the Federal Register as of May 7, 2008.

FOR FURTHER INFORMATION CONTACT:

Sharon Daniel, (202) 268-7304.

SUPPLEMENTARY INFORMATION: The most recent Issue 300 of the Domestic Mail Manual was issued on July 15, 2007. It replaced the previous Issue 300 of the DMM and contained all DMM revisions from January 8, 2006 through July 15, 2007. The Issue 300 of the DMM that preceded that issue, was issued on January 8, 2006 and contained all DMM revisions from January 5, 2005 through January 8, 2006.

These new Issues of the DMM contain all USPS domestic mailing standards, organized in a way that is more intuitive to the user. These new issues continue to (1) increase the user's ability to find information, (2) increase confidence that users have found all the information they need, and (3) reduce the need to consult multiple chapters of the Manual to locate necessary information. Issue 300, dated July 15, 2007, set forth specific changes, such as new standards throughout the DMM to support the pricing changes recommended by the Postal Regulatory Commission in Docket No. R2006-1 and approved by the Governors of the United States Postal Service. New prices were implemented on May 14, 2007 for all classes of mail except Periodicals. Issue 300, dated January 8, 2006, also set forth specific changes such as new prices throughout the DMM to adopt the postal rates and fees resulting from the R2005-1 rate case.

Changes to mailing standards will continue to be published through **Federal Register** notices and the Postal Bulletin, and will appear in the next printed version of Mailing Standards of the United States Postal Service, Domestic Mail Manual, and in the online version available via Postal Explorer <http://pe.usps.com>.
