SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The DoDEA Customer Satisfaction Survey is a tool used to measure Goal 9: Accountability, Benchmark 4 of the DoD Education Activity (DoDEA) Community Strategic Plan. The DoDEA Community Strategic Plan was written to meet DoD Reform Initiative Directive #23: Defense Agency Performance Contracts which states: "The Directors of the specified Agencies and Field Activities will submit a performance contract covering the period of the Future Years Defense Plan (FYDP), FY 2000 through FY 2005. Each performance contract shall include measures of customer satisfaction with the goods and services provided by the agency or Field Activity, including the timeliness of deliveries of products and services.

The parent questionnaire component of this program will give parents of students attending DoD schools an opportunity to comment on their level of satisfaction with various issues related to their child's education. Some of these topics include equipment and facilities, computer technology, curriculum, administration, teachers, parent involvement, and communications. Parents of students attending DoD schools will be provided an opportunity to respond to the DoDEA Customer Satisfaction Survey-Parent Questionnaire biennially. Respondents of this questionnaire will be parents of those students attending DoDEA schools, both in the continental United States and Overseas.

The student questionnaire component of this program will give students attending DoD schools an opportunity to comment on their level of satisfaction with various issues related to their education. Some of these topics include equipment and facilities, computer technology, curriculum, teachers,

administration, and school buses. Questions will also be asked of the students that may be perceived as sensitive. The nature of these questions pertains to drugs, alcohol, and sexual issues. These questions are similar to questions found on nationwide surveys of students such as the National Health Interview Survey. It is imperative that the agency collect data in order to adequately prepare programs addressing these issues. Additionally, the military and other stakeholders frequently request comparisons between the perceptions of DoDEA students and students in public schools across the United States on these issues necessitating the need for this information. Students will be asked to respond to this questionnaire biennially, through an anonymous administration procedure. Questionnaire respondents will be students attending DoD schools, both in the continental United States and overseas.
