National Appeals Division

Title: National Appeals Division Customer Service Survey.

OMB Control Number: 0503-0007.

Summary of Collection: The Secretary of Agriculture established the National Appeals Division (NAD) on October 20, 1994, by Secretary's Memorandum 1010-1, pursuant to the Federal Crop Insurance Reform and Department of Agriculture Reorganization Act of 1994 (Pub. L. 103-354, Section 271, dated October 13, 1994). The Act consolidated the appellate functions and staff of several USDA agencies. The intent is to provide for independent hearing and review determinations that resulted from Agency adverse decisions. Hearing Officers conduct evidentiary hearings on adverse decisions or, when the appellant requests they review the Agency's record of the adverse decision without a hearing. Although NAD maintains a database to track appeal requests, the database contains only information necessary to process the appeal request, such as the name, address, filing data, and final results of the appeal. NAD will collect information using a survey.

Need and Use of the Information: NAD wants to gather current data to measure the appellant's perception of the quality of how easy the determination was to read; how intently the Hearing Officer listened to the appellant; and if the appellant would be willing to have the same Hearing Officer hear a future appeal. NAD will also use the information gathered from its surveys to tailor and prioritize training.

Description of Respondents: Individuals or households.

Number of Respondents: 2,000.

Frequency of Responses: Reporting: Annually.

Total Burden Hours: 292.

Departmental Information Collection Clearance Officer.
