

The respondents to the collection of information are SROs, as defined by the Act, including national securities exchanges and national securities associations.

Six respondents file an average total of 6 initial reports (for a 144 hour estimated annual burden), 24 quarterly reports (for a 72 hour estimated annual burden), and 12 amendments per year (for a 36 hour estimated annual burden), with an estimated total annual response burden of 252 hours. At an average hourly cost of \$51.71, the aggregate related cost of compliance with Rule 19b-5 for all respondents is \$13,030 per year (252 burden hours multiplied by \$51.71/hour = \$13,030).

Although Rule 19b-5 does not in itself impose recordkeeping burdens on SROs, it relies on existing requirements imposed by Rule 17a-1 under the Act to require SROs to retain all the rules and procedures relating to each pilot trading system operating pursuant to Rule 19b-5 and to make such records available for Commission inspection for a period of not less than five years, the first two years in an easily accessible place.

Compliance with Rule 19b-5 is mandatory. Information received in response to Rule 19b-5 shall be available only for examination by the Commission, other agencies of the federal government, state securities authorities and SROs.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Form BD/Rule 15b1-1, SEC File No. 270-19, OMB Control No. 3235-0012.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Form BD (17 CFR 249.501) under the Securities Exchange Act of 1934 (17 U.S.C. 78a *et seq.*) is the application form used by firms to apply to the Commission for registration as a broker-dealer. Form BD also is used by firms other than banks and registered broker-dealers to apply to the Commission for registration as a municipal securities dealer or a government securities broker-dealer. In addition, Form BD is used to change information contained in a previous Form BD filing that becomes inaccurate.

The total annual burden imposed by Form BD is approximately 6,808 hours, based on approximately 18,174 responses (335 initial filings + 17,839 amendments). Each initial filing requires approximately 2.75 hours to complete and each amendment requires approximately 20 minutes to complete. There is no annual cost burden.

The Commission uses the information disclosed by applicants in Form BD: (1) To determine whether the applicant meets the standards for registration set forth in the provisions of the Exchange Act; (2) to develop a central information resource where members of the public may obtain relevant, up-to-date information about broker-dealers, municipal securities dealers and government securities broker-dealers, and where the Commission, other regulators and SROs may obtain information for investigatory purposes in connection with securities litigation; and (3) to develop statistical information about broker-dealers, municipal securities dealers and government securities broker-dealers. Without the information disclosed in Form BD, the Commission could not effectively implement policy objectives
