

and reporting requirements.” 31 U.S.C. 6101 3.

Agencies are currently using a variety of forms to account for both Federally-owned and grantee owned equipment and property. During the public consultation process mandated by Public Law 106–107, grant recipients requested a standard form to help them

submit appropriate property information when required. The Public Law 106–107 Post Awards Subgroup developed a new standard form, the Tangible Personal Property Report, for submission of the required data. The form consists of the cover sheet (SF–428), three attachments to be used as required: Annual Report, SF–428–A;

Final Report, SF–428–B; Disposition Request/Report, SF–428–C and a Supplemental Sheet, SF–428S to provide detailed individual item information when required. This IC expires on November 30, 2024. *Grants.gov* seeks a three-year clearance of this collection.
