

FEDERAL RESERVE SYSTEM**Formations of, Acquisitions by, and Mergers of Bank Holding Companies**

The companies listed in this notice have applied to the Board for approval, pursuant to the Bank Holding Company Act of 1956 (12 U.S.C. 1841 *et seq.*) (BHC Act), Regulation Y (12 CFR part 225), and all other applicable statutes and regulations to become a bank holding company and/or to acquire the assets or the ownership of, control of, or the power to vote shares of a bank or bank holding company and all of the banks and nonbanking companies owned by the bank holding company, including the companies listed below.

The applications listed below, as well as other related filings required by the Board, are available for immediate inspection at the Federal Reserve Bank indicated. The application also will be available for inspection at the offices of the Board of Governors. Interested persons may express their views in writing on the standards enumerated in the BHC Act (12 U.S.C. 1842(c)). If the proposal also involves the acquisition of a nonbanking company, the review also includes whether the acquisition of the nonbanking company complies with the standards in section 4 of the BHC Act (12 U.S.C. 1843). Unless otherwise noted, nonbanking activities will be conducted throughout the United States.

Unless otherwise noted, comments regarding each of these applications must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than April 1, 2011.

A. Federal Reserve Bank of Dallas (E. Ann Worthy, Vice President) 2200 North Pearl Street, Dallas, Texas 75201-2272:

1. *Comerica, Inc.*, Dallas, Texas; to acquire 100 percent of the voting shares of Sterling Bancshares, Inc., Houston, Texas.

Board of Governors of the Federal Reserve System, March 3, 2011.

Robert deV. Frierson,

Deputy Secretary of the Board.

[60Day-11-0106]

Proposed Data Collections Submitted for Public Comment and Recommendations

In compliance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 for opportunity for public comment on proposed data collection projects, the Centers for Disease Control and Prevention (CDC) will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the data collection plans and instruments, call 404-639-5960 or send comments to Carol Walker, Acting Reports Clearance Officer, 1600 Clifton Road, MS-D74, Atlanta, GA 30333 or send an e-mail to omb@cdc.gov.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Written comments should be received within 60 days of this notice.

Proposed Project

Preventive Health and Health Services Block Grant—Extension—National Center for Chronic Disease Prevention and Health Promotion (NCCDPHP), Centers for Disease Control and Prevention (CDC).

Background and Brief Description

The PHHS Block Grant program was established to provide awardees with a source of flexible funding for health promotion and disease prevention programs. Currently, 61 awardees (50 States, the District of Columbia, two American Indian Tribes, and eight U.S. territories) receive block grants to address locally-defined public health needs in innovative ways. Block Grants allow awardees to prioritize the use of funds and to fill funding gaps in programs that deal with the leading causes of death and disability. Block

Grant funding also provides awardees with the ability to respond rapidly to emerging health issues, including outbreaks of diseases or pathogens. The PHHS Block Grant program is authorized by sections 1901–1907 of the Public Health Service Act.

As specified in the authorizing legislation, CDC currently collects information from Block Grant awardees to monitor their objectives and activities (Preventive Health and Health Services Block Grant, OMB No. 0920-0106, exp. 8/31/2011). Each awardee is required to submit an annual application for funding (Work Plan) that describes its objectives and the populations to be addressed, and an Annual Report that describes activities and progress. Information is submitted electronically through the Web-based Block Grant Information Management System (BGMIS). The BGMIS is designed to support Block Grant requirements specified in the program's authorizing legislation, such as adherence to the Healthy People (HP) framework. The current version of the BGMIS associates each awardee-defined activity with a specific HP National Objective, and identifies the location where funds are applied. Information items are broken down into discrete fields. Each objective is defined in SMART format (Specific, Measurable, Achievable, Realistic and Time-based), and includes a specified start date and end date.

CDC requests OMB approval to continue the information collection, without changes, for two years (through 8/31/2013). During this time, the CDC Block Grant program office will complete an internal planning process and replace the current Healthy People 2010 objectives with Healthy People 2020 objectives. CDC plans to submit a Revision request when decisions about the new awardee performance measures and updated BGMIS data elements are finalized.

During the period of this two-year Extension request, CDC will continue to use the BGMIS, without changes, to monitor awardee progress, identify activities and personnel supported with Block Grant funding, conduct compliance reviews of Block Grant awardees, and promote the use of evidence-based guidelines and interventions. There will be no changes to the number of respondents or the BGMIS data elements. However, since awardees can prepare upcoming submissions by modifying information already entered into the system, the estimated annual burden per respondent will decrease from 55 hours to 35 hours (a reduction of 5 hours per response for the Work Plan, and 15 hours per

response for the Annual Report). The total estimated annualized reduction in burden is 1,200 hours. There are no

costs to respondents other than their time.

ESTIMATED ANNUALIZED BURDEN HOURS

Respondents	Form name	Number of respondents	Number of responses per respondent	Average burden per response (in hrs.)	Total burden (in hours)
Block Grant Awardees	Work Plan	61	1	20	1,220
	Annual Report	61	1	15	915
Total				122	2,135

Carol Walker,

Acting Reports Clearance Officer, Centers for Disease Control and Prevention.

BILLING CODE 4163-18-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

[Docket Number NIOSH-227]

Request for Information on Conditions Relating to Cancer to Consider for the World Trade Center Health Program

AGENCY: National Institute for Occupational Safety and Health (NIOSH) of the Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice and request for public comments.

SUMMARY: The Director of the National Institute for Occupational Safety and Health (NIOSH) of the Centers for Disease Control and Prevention (CDC) serves as the World Trade Center (WTC) Program Administrator for certain functions related to the WTC Health Program established by the James Zadroga 9/11 Health and Compensation Act (Pub. L. 111-347). In accordance with Section 3312(a)(5)(A) of that Act, the WTC Program Administrator is conducting a review of all available scientific and medical evidence to determine if, based on the scientific evidence, cancer or a certain type of cancer should be added to the applicable list of health conditions covered by the World Trade Center Health Program.

The WTC Program Administrator is requesting information on the following: (1) Relevant reports, publications, and case information of scientific and medical findings where exposure to

airborne toxins, any other hazard, or any other adverse condition resulting from the September 11, 2001 terrorist attacks, is substantially likely to be a significant factor in aggravating, contributing to, or causing cancer or a type of cancer; (2) clinical findings from the Clinical Centers of Excellence providing monitoring and treatment services to WTC responders (*i.e.*, those persons who performed rescue, recovery, clean-up and remediation work on the WTC disaster sites) and community members directly exposed to the dust cloud on 9/11/01; and (3) input on the scientific criteria to be used by experts to evaluate the weight of the medical and scientific evidence regarding such potential health conditions.

DATES: Comments must be received by March 31, 2011.

ADDRESSES: You may submit comments, identified by docket number NIOSH-227, by any of the following methods:

- **Mail:** NIOSH Docket Office, Robert A. Taft Laboratories, MS-C34, 4676 Columbia Parkway, Cincinnati, OH 45226.
- **Facsimile:** (513) 533-8285.
- **E-mail:** nioshdocket@cdc.gov.

All information received in response to this notice will be available for public examination and copying at the NIOSH Docket Office, 4676 Columbia Parkway, Cincinnati, Ohio 45226. The comment period for NIOSH-227 will close on March 31, 2011. All comments received will be available on the NIOSH Docket Web page at <http://www.cdc.gov/niosh/docket> by April 30, and comments will be available in writing by request. NIOSH includes all comments received without change in the docket and the electronic docket, including any personal information provided.

FOR FURTHER INFORMATION CONTACT: Dori Reissman, M.D., NIOSH, Patriots Plaza Suite 9200, 395 E St., SW., Washington,

DC 20201, telephone (202) 245-0625 or e-mail nioshdocket@cdc.gov.

John Howard,

Director, National Institute for Occupational Safety and Health, Centers for Disease Control and Prevention.
