

Estimated Time Per Response: 48 hours.

Total Annual Burden: 624 hours.

Annual Reporting and Recordkeeping Cost Burden: N/A.

Frequency of Response: On occasion reporting requirement.

Needs and Uses: The Commission requires Tier 1 local exchange carriers (LECs) to provide expanded opportunities for third-party interconnection with their interstate special access facilities. The LECs are permitted to establish a number of rate zones within study areas in which expanded interconnection are operational. In the Fifth Report and Order in CC Docket No. 96-262, the Commission allows price cap LECs to define the scope and number of zones within the study area. These LECs must file and obtain approval of their pricing plans which will be used by FCC staff to ensure that the rates are just, reasonable and nondiscriminatory.

Federal Communications Commission.
