The Exchange has satisfied this pre-filing requirement.

and will file a rule change for effectiveness upon filing with the Commission. Until such time as the Board of Directors makes a change to the minimum increments, the following minimum increments shall apply to options traded on the Exchange:

(1) No change.

(2) No change.

(3) The decimal increments for bids and offers for all series of the option classes participating in the Penny Pilot Program are: \$0.01 for all option series quoted below \$3 (including LEAPS), and \$0.05 for all option series \$3 and above (including LEAPS). For QQQQs, IWM, and SPY, the minimum increment is \$0.01 for all option series. Also, for so long as SPDR options (SPY) and options on Diamonds (DIA) participate in the Penny Pilot Program, the minimum increments for Mini-SPX Index Options (XSP) and options on the Dow Jones Industrial Average (DJX), respectively, may be \$0.01 for all option series quoting less than \$3 (including LEAPS), and \$0.05 for all option series quoting at \$3 or higher (including LEAPS).

The text of the proposed rule change is also available on the Exchange's Web site <http://www.c2exchange.com/Legal/>, at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Penny Pilot Program (the "Pilot Program") is scheduled to expire on June 30, 2014. C2 proposes to extend the Pilot Program until December 31, 2014. C2 believes that extending the Pilot Program will allow for further analysis of the Pilot Program and a determination of how the Pilot Program should be structured in the future.

During this extension of the Pilot Program, C2 proposes that it may replace any option class that is currently included in the Pilot Program and that has been delisted with the next most actively traded, multiply listed option class that is not yet participating in the Pilot Program ("replacement class"). Any replacement class would be determined based on national average daily volume in the preceding six months,³ and would be added on the second trading day following July 1, 2014. C2 will announce to its Trading Permit Holders by circular any replacement classes in the Pilot Program. The Exchange notes that it intends to utilize the same parameters to prospective replacement classes as was originally approved.

C2 is specifically authorized to act jointly with the other options exchanges participating in the Pilot Program in identifying any replacement class.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁴ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁵ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitation transactions in securities, to remove impediments to

³ The month immediately preceding a replacement class's addition to the Pilot Program (i.e., June) would not be used for purposes of the six-month analysis. Thus, a replacement class to be added on the second trading day following July 1, 2014 would be identified based on The Option Clearing Corporation's trading volume data from December 1, 2013 through May 31, 2014.

and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. In particular, the proposed rule change allows for an extension of the Pilot Program for the benefit of market participants.

B. Self-Regulatory Organization's Statement on Burden on Competition

C2 does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Specifically, the Exchange believes that, by extending the expiration of the Pilot Program, the proposed rule change will allow for further analysis of the Pilot Program and a determination of how the Program shall be structured in the future. In doing so, the proposed rule change will also serve to promote regulatory clarity and consistency, thereby reducing burdens on the marketplace and facilitating investor protection. In addition, the Exchange has been authorized to act jointly in extending the Pilot Program and believes the other exchanges will be filing similar extensions.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁶ and Rule 19b-4(f)(6) thereunder.⁷ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6)(iii) thereunder.⁹

⁶ 15 U.S.C. 78s(b)(3)(A)(iii).

⁷ 17 CFR 240.19b-4(f)(6).

⁸ 15 U.S.C. 78s(b)(3)(A).

⁹ 17 CFR 240.19b-4(f)(6)(iii). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change along with a brief description and the text of the proposed rule

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Order Approving a Proposed Rule Change To Establish a Fee Schedule for Alternative Trading System Volume Information

May 29, 2014.

On April 4, 2014, the Financial Industry Regulatory Authority, Inc. ("FINRA") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to adopt FINRA Rule 4553 (Fees for ATS Data) establishing a fee schedule for alternative trading system ("ATS") volume information published by FINRA on its Web site. The proposed rule change was published for comment in the **Federal Register** on April 15, 2014.³ The Commission received one comment letter on the proposal during the comment period.⁴ On May 21, 2014, FINRA responded to the comment letter.⁵ This order approves the proposed rule change.

I. Background

On January 17, 2014, the Commission approved a proposed rule change to (i) adopt FINRA Rule 4552 (Alternative Trading Systems—Trading Information for Securities Executed Within the Alternative Trading System) to require ATSs to report to FINRA weekly volume information and number of trades regarding securities transactions within the ATS; and (ii) amend FINRA Rules 6160, 6170, 6480, and 6720 to require each ATS to acquire and use a single, unique market participant identifier ("MPID") when reporting information to FINRA ("MPID Requirement").⁶ The implementation date of the reporting requirements under Rule 4552 was May 12, 2014, and compliance with the MPID Requirement begins on November 10, 2014.⁷ Every week, FINRA will publish on its Web site, on a delayed basis, the self-reported ATS data for each equity security for each ATS ("ATS Data").⁸ According to FINRA, after the MPID Requirement is implemented in November 2014, FINRA will be able to compare the trade reporting data to the data already being reported to FINRA by ATSs pursuant to Rule 4552 to verify the consistency and accuracy of both.

II. Description of the Proposed Rule Change

The proposed rule change establishes three categories of users of the ATS Data, each of which is entitled to different levels and use of ATS Data and is subject to a different fee structure: (i) Non-Professionals;⁹ (ii) Professionals;

⁶ See Securities Exchange Act Release No. 71341 (January 17, 2014), 79 FR 4213 (January 24, 2014). On April 3, 2014, FINRA amended Rules 4552, 6160, 6170, 6480, and 6720 to revise the reporting and MPID requirements applicable to ATSs. See Securities Exchange Act Release No. 71911 (April 9, 2014), 79 FR 21316 (April 15, 2014). The amendments to Rules 6160, 6170, 6480, and 6720 permit an ATS that trades both debt securities reported to FINRA's Trade Reporting and Compliance Engine ("TRACE") and equity securities (OTC Equity Securities or NMS stocks) reported to a FINRA equity reporting facility (the Alternative Display Facility, the OTC Reporting Facility, the FINRA/Nasdaq TRF, or the FINRA/NYSE TRF) to use two MPIDs, rather than a single unique MPID, if each MPID is used exclusively for either debt or equity securities.

⁷ See FINRA Regulatory Notice 14-07 (February 2014).

⁸ See Rule 4552(b).

⁹ As defined by FINRA in its proposed Rule 4553, a "Non-Professional" means a natural person who uses the ATS Data solely for his or her personal, non-commercial use and is not: (i) Registered or qualified in any capacity with the Commission, the Commodity Futures Trading Commission, any state securities agency, any securities exchange or association, or any commodities or futures contract market or association, nor an employee of the above; (ii) engaged as an "investment adviser" as
