

Standards and Guidance, OSHA, U.S. Department of Labor; telephone (202) 693-2222.

SUPPLEMENTARY INFORMATION:

I. Background

The Department of Labor, as part of the continuing effort to reduce paperwork and respondent (*i.e.*, employer) burden, conducts a preclearance consultation program to provide the public with an opportunity to comment on proposed and continuing information collection requirements in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)). This program ensures that information is in the desired format, reporting burden (time and costs) is minimal, the collection instruments are clearly understood, and OSHA's estimate of the information collection burden is accurate. The Occupational Safety and Health Act of 1970 (OSH Act) (29 U.S.C. 651 *et seq.*) authorizes information collection by employers as necessary or appropriate for enforcement of the OSH Act or for developing information regarding the causes and prevention of occupational injuries, illnesses, and accidents (29 U.S.C. 657). The OSH Act also requires that OSHA obtain such information with minimum burden upon employers, especially those operating small businesses, and to reduce to the maximum extent feasible unnecessary duplication of effort in obtaining information (29 U.S.C. 657).

The following sections describe who uses the information collected under each requirement, as well as how they use it.

The Standard protects workers from the adverse health effects that may result from their exposure to methylene chloride (MC). The requirements in the Standard include worker exposure monitoring, notifying workers of their MC exposures, administering medical examinations to workers, providing examining physicians with specific program and worker information, ensuring that workers receive a copy of their medical examination results, maintaining workers' exposure monitoring and medical examination records for specific periods, and providing access to these records by OSHA, the National Institute for Occupational Safety and Health, the affected workers, and their authorized representatives.

II. Special Issues for Comment

OSHA has a particular interest in comments on the following issues:

- Whether the proposed information collection requirements are necessary

for the proper performance of the agency's functions to protect workers, including whether the information is useful;

- The accuracy of OSHA's estimate of the burden (time and costs) of the information collection requirements, including the validity of the methodology and assumptions used;
- The quality, utility, and clarity of the information collected; and
- Ways to minimize the burden on employers who must comply; for example, by using automated or other technological information, and transmission techniques.

III. Proposed Actions

OSHA is requesting that OMB extend the approval of the information collection requirements contained in the Methylene Chloride Standard. The agency is requesting an adjustment increase in the burden hours amount from 61,813 hours to 65,555 hours, a difference of 3,742 hours. This increase is due increase in the number of establishments from 84,595 to 89,760.

OSHA will summarize the comments submitted in response to this notice and will include this summary in the request to OMB to extend the approval of the information collection requirements.

Type of Review: Extension of a currently approved collection.

The Judges also set the date by which all parties wishing to participate and share

in the distribution of cable or satellite retransmission royalties for 2018 through 2021, inclusive, must file Petitions to Participate and pay the accompanying \$150 filing fee. The Judges seek a single Petition to Participate in either or both the allocation phase and distribution phase of the cable royalty proceeding and a separate Petition to Participate in either or both the allocation phase and the distribution phase of the satellite royalty proceeding. Any party that fails to file a petition to participate by the time set forth in this notice shall not be a participant at any stage of either proceeding.

SUPPLEMENTARY INFORMATION:

Background

Twice each year, cable services and satellite carriers deposit with the Copyright Office royalties payable for the privilege of retransmitting over-the-air television and radio broadcast signals via cable and satellite. 17 U.S.C. 111, 119. The Copyright Royalty Judges (Judges) oversee distribution of the royalties to copyright owners whose works are included in the retransmissions and who have filed a timely claim for royalties. Pursuant to 17 U.S.C. 803(b)(1), the Judges hereby give notice of the commencement of proceedings for distribution of cable and satellite royalties deposited for broadcasts retransmitted in 2018

through 2021 and call for interested parties to file Petitions to Participate.

Any party wishing to receive royalties payable for 2018 through 2021 must file a Petition to Participate in each proceeding no later than September 12, 2024. If an interested party fails to file a Petition to Participate in response to this notice, that party will not be eligible for distribution of royalties for 2018 through 2021 from either the cable or the satellite fund. The Judges will resolve all issues relating to distribution of cable and satellite royalty funds for 2018 through 2021 in these proceedings, Docket No. 19–CRB–0010–CD (2018–2021) and Docket No. 19–CRB–0011–SD (2018–2021). See 37 CFR 351.1(b)(2).

Commencement of Distribution Proceedings

The Judges have determined that controversies exist with regard to distribution of the cable and satellite retransmission royalties that licensees deposited for 2018, 2019, 2020, and 2021. Therefore, pursuant to Section 804(b)(8) of the Copyright Act, the Judges are causing this notice to be published in the **Federal Register** to announce the commencement of cable and satellite distribution proceedings for the years 2018, 2019, 2020, and 2021.

The Judges base their conclusion regarding 2018–2021 cable and satellite fund controversies upon the entirety of the records, including initial motions for partial distribution and the silence following orders granting some of those motions. The parties have not moved for further partial distribution despite reserving in their motions “the right to move for additional partial distributions . . . after . . . any . . . disputes come into better focus.” See, e.g., Motion of the Allocation Phase Parties for Partial Distribution of 2020 Satellite Royalty Funds, Docket No. 21–CRB–0009–SD (2020 SD) (Mar. 9, 2023).

Groups of claimants to the royalty funds, acting together and represented by joint counsel, have surely by now made an effort to negotiate a distribution scheme agreeable to all claimants. Apparently unable to reach an agreement, the claimants have taken no further action to seek further partial or final distribution of the funds.

In the present proceedings, groups of claimants have identified themselves as arranged into program categories: Program Suppliers, Joint Sports Claimants, Public Television Claimants/Public Broadcasting Service, Commercial Television Claimants/National Association of Broadcasters, Devotional Claimants, Canadian Claimants, American Society of

Composers, Authors and Publishers (ASCAP), Broadcast Music, Inc. (BMI), SESAC, Inc., and National Public Radio. The Judges recognize that other claimants might not be represented by joint counsel for the groups of claimants. The Judges, therefore, provide this public notice to alert anyone who claims an interest in cable or satellite retransmission royalties deposited for royalty years 2018 through 2021, inclusive.

In order to share in the royalties at issue, any claimant not joined in one of the groups identified above must file a Petition to Participate, individually or jointly with other claimants. If, at a later point in the proceedings, a claimant chooses to join a group participating through joint counsel, that claimant may withdraw its individual Petition to Participate. The prerequisites to participation in a distribution proceeding are (1) the filing (individually or jointly) of a valid claim for each royalty year at issue and (2) the filing (individually or jointly) of a valid Petition to Participate.

Only attorneys who are members in good standing of the bar of one or more states may represent parties before the Judges. All corporate parties must appear through counsel. Only if the petitioning party is an individual, may he or she represent himself or herself without legal counsel. 37 CFR 303.2.

The Judges previously assigned separate docket numbers to the cable and satellite distribution proceedings for the period 2018 through 2021. Upon receipt of all Petitions to Participate, the Judges anticipate consolidating all cable proceedings for the years 2018 through 2021 under the captioned docket number 19–CRB–0010–CD (2018–2021) and all satellite proceedings for the years 2018 through 2021 under the captioned docket number 19–CRB–0011–SD (2018–2021).

Petitions To Participate

Parties filing Petitions to Participate must comply with the requirements of section 351.1(b) of the Copyright Royalty Board's regulations.

In addition, each Petition to Participate filing must be accompanied by a filing that sets forth for each claim year, the name of each claimant, the corresponding claim number, an indication of whether the claim is an individual or joint claim, and the program category into which the claim may fall. Each Petition to Participate shall be accompanied by a Microsoft Excel spreadsheet in electronic form consisting of the following columns: Claimant; Claim Year; Claim Number; Claim Type; Allocation Phase Category.

For “Claim Type,” participants shall enter “I” for an individual claimant, “J” for a joint claimant, and “W” for a claimant listed within a joint claim. The information in the column for “Claim Category” shall be coded 1 for syndicated programming and movies, 2 for live college and professional team sports, 3 for programs produced by local commercial television stations, 4 for public broadcasting, 5 for programs of a religious or devotional character, 6 for Canadian programs retransmitted within the United States, 7 for musical works carried on broadcast television signals, and 8 for National Public Radio (all non-music content broadcast on NPR stations). Claimants’ characterization of their claims at this juncture is for ease of administration only and is not dispositive of the ultimate disposition of any claim.

Petitioners who seek to categorize any claim in a category not listed in the previous paragraph shall assign a number (starting with 9) to each new category and shall include a brief description of each new proposed category. Claimants, or claimant representatives, that have filed claims in multiple years shall list the claims in separate rows for each year. Claimants, or claimant representatives, that will seek royalties in multiple claim categories shall list each claim in a separate row for each separate claim category. Similarly, claimants, or claimant representatives, that assert multiple claims in a given claim year shall list each claim and claim number in a separate row. Petitioners are responsible to make a sufficient showing of a “significant interest” in the royalty funds at issue to avoid dismissal of the Petition to Participate.

Claimants whose claims do not exceed \$1,000 in value and who include a statement in their Petitions to Participate that they will not seek distribution of more than \$1,000 may file the Petition to Participate without payment of the filing fee.

Participants should conform filed electronic documents to the Judges’ Guidelines for Electronic Documents, available online at https://www.crb.gov/docs/Guidelines_for_Electronic_Documents.pdf.

Dated: August 8, 2024.

David P. Shaw,

Chief Copyright Royalty Judge.

AGENCY: Office of Management and Budget, Executive Office of the President.

ACTION: Notice of training session.

SUMMARY: Interested members of the public may request a meeting with the Office of Information and Regulatory Affairs (OIRA) to present their views about a regulatory action that is under OIRA review. These meetings, known as E.O. 12866 meetings, serve as listening sessions for OIRA officials and representatives from the agency or agencies taking the regulatory action. To assist members of the public seeking to request an E.O. 12866 meeting, OIRA has modified its website and posted an instructional video and a step-by-step guide to requesting a meeting, in English and Spanish, on its website. Moreover, to encourage participation by those who have not historically requested E.O. 12866 meetings, including those from underserved communities, OIRA will offer periodic and accessible trainings on effective participation in E.O. 12866 meetings. OIRA has recently held two training sessions on E.O. 12866 meeting participation. To assist Spanish-speaking members of the public who may wish to request an E.O. 12866 meeting in the future, OIRA will hold a training session in Spanish.

DATES: The training session will be held on August 14, 2024, at 3 to 3:45 p.m., Eastern Time.

ADDRESSES: Information to access the virtual training sessions will be provided upon registration. Members of the public may register by sending an email to publicparticipation@omb.eop.gov.

FOR FURTHER INFORMATION CONTACT: Please email the Office of Management and Budget at publicparticipation@omb.eop.gov.

SUPPLEMENTARY INFORMATION: Executive Order 12866 establishes and governs the process under which OIRA reviews agencies’ significant regulatory actions. E.O. 12866 provides that members of the public may meet with OIRA during OIRA’s review of draft proposed and final rules. These meetings, known as E.O. 12866 meetings, offer an opportunity for members of the public to present their views on regulatory actions under review. OIRA invites

representatives from the agency or agencies taking the regulatory action to these meetings, though participation may be limited by scheduling or other considerations. E.O. 12866 meetings serve as listening sessions for OIRA and agency representatives, and both the identity of meeting attendees and any written materials provided by the meeting requestors are disclosed on OIRA’s website.

In an effort to facilitate meeting requests, OIRA has modified its website to simplify the request form and to provide several avenues through which outside parties can request meetings.¹ In addition, OIRA has provided detailed written step-by-step instructions in English and Spanish,² as well as a video (also translated into Spanish),³ on its website, [RegInfo.gov](https://www.reginfo.gov), on how to schedule a meeting. To facilitate broader participation in E.O. 12866 meetings, including by requestors who have not historically requested such meetings or face challenges in traveling to Washington, DC, OIRA holds E.O. 12866 meetings virtually, primarily as teleconferences.

To encourage participation by members of the public who have not historically requested E.O. 12866 meetings, including members of underserved communities, OIRA will offer periodic and accessible trainings on effective participation in E.O. 12866 meetings. OIRA recently held two training sessions. To assist Spanish-speaking members of the public, OIRA will hold a training session in Spanish on August 14, 2024, at 3 to 3:45 p.m., Eastern Time. The training session will be conducted entirely in Spanish, and will include a question-and-answer period. At the training sessions OIRA will describe (1) what an E.O. 12866 meeting is; (2) how members of the public may request and schedule a meeting; (3) the format of E.O. 12866 meetings; (4) what type of information or input is most helpful to receive during an E.O. 12866 meeting; and (5) what makes for an effective presentation during an E.O. 12866 meeting.
