SUPPLEMENTARY INFORMATION:

Background

On March 15, 2022, President Biden signed the EB–5 Reform and Integrity Act of 2022, Div. BB of the Consolidated Appropriations Act, 2022 (Pub. L. 117–103) into law, which revised INA 203(b)(5). The law immediately repealed the former Regional Center (RC) Program statute at Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations Act 1993, Public Law 102–395, 106 Stat. 1828, § 610(b).

The law also reauthorized a substantially reformed EB–5 Regional Center (RC) Program which became effective on May 14, 2022. Though USCIS will continue to provide similar services for the newly reformed RC program as it did under the former RC program (such as initial designations, petition adjudications, etc.), the newly authorized RC program has a different legal framework and requirements from the previously authorized program. Consequently, the current Form I–924 and Form I–924A would not sufficiently collect the necessary information required to adjudicate services under this new program. In an effort to reduce confusion for the services provided in the newly authorized RC program, USCIS discontinued the Form I–924 and Form I–924A collection of information and will be submitting a new information collection under a separate OMB Control Number. Furthermore, the new law included an exemption from the Paperwork Reduction Act for a 1-year period beginning on the date of the enactment of this Act, March 15, 2022. In order to meet the immediate requirements of the Act, the creation of new collections of information to address the newly authorized RC Program were expected to take effect 60

days after the date of the enactment of this Act, May 14, 2022.

Accordingly, USCIS created new forms to address the requirements in the EB–5 Reform and Integrity Act of 2022 and provide services under the newly authorized RC Program. USCIS created five new forms: Form I–956, Application for Regional Center Designation; Form I–956F, Application for Approval of an Investment in a Commercial Enterprise; Form I–956G, Regional Center Annual Statement; Form I–956H, Bona Fides of Persons Involved with Regional Center Program; Form I–956K, Registration for Direct and Third-Party Promoters. USCIS began accepting the new forms upon release after May 14, 2022.

On June 24, 2022, the U.S. District Court for the Northern District of California preliminarily enjoined USCIS from “treating as deauthorized the previously designated regional centers” including “processing new I–526 petitions from immigrants investing through previously authorized regional centers . . . just as the agency would do for a newly approved regional center.” *Behring v. Mayorkas*, Order Granting Plaintiff’s Motion for a Preliminary Injunction, Case No. 22–cv–02487–VC (N.D. Cal. Jun 24, 2022). As USCIS is working to implement the Court Order, if it determines changes to the Forms I–956, I–956F, I–956G, I–956H, or I–956K are necessary, it will pursue such changes through either this new form development process or other appropriate mechanism.
