12 CFR Part 1806

RIN 1505-AA91

Bank Enterprise Award Program

AGENCY: Community Development Financial Institutions Fund, Department of the Treasury.

ACTION: Revised interim rule with request for comment.

SUMMARY: The Department of the Treasury is issuing a revised interim rule implementing the Bank Enterprise Award (BEA) Program administered by the Community Development Financial Institutions Fund (Fund). The mission of the CDFI Fund is to increase the capacity of financial institutions to provide capital, credit and financial services in underserved markets. Its long-term vision is an America in which all people have access to affordable credit, capital and financial services. The purpose of the BEA Program is to provide an incentive to insured depository institutions to increase their activities in the form of loans, investments, services, and technical assistance, within Distressed Communities and provide financial assistance to Community Development Financial Institutions (CDFIs) through grants, stock purchases, loans, deposits, and other forms of financial and technical assistance. This revised interim rule: improves programmatic operating efficiencies; targets program incentives to encourage the provision of investment, credit and financial services in Distressed Communities that demonstrate the most extreme need, to CDFIs that serve such Distressed Communities, and to smaller, less well capitalized CDFIs; reduces applicants' documentary and reporting burdens; clarifies and redefines the requirements of certain Qualified Activities; redefines and adds new categories of Qualified Activities; changes some methodologies for calculating BEA Program awards, including the application of caps to such awards; and simplifies some reporting and documentation requirements.

DATES: Interim rule effective February 4, 2003; comments must be received on or before April 7, 2003.

ADDRESSES: You may send hard copy comments concerning this interim rule to the Deputy Director for Policy and Programs, Community Development Financial Institutions Fund, Department

SUPPLEMENTARY INFORMATION:

I. Background

The Community Development Financial Institutions Fund (Fund) was established as a wholly owned government corporation by the Community Development Banking and Financial Institutions Act of 1994. Subsequent legislation placed the Fund within the Department of the Treasury and gave the Secretary of the Treasury all powers and rights of the Administrator of the Fund as set forth in the authorizing statute.

The mission of the Fund is to increase the capacity of financial institutions to provide capital, credit and financial services in underserved markets. Its long-term vision is an America in which all people have access to affordable credit, capital and financial services. The Fund's programs are designed to facilitate the flow of lending and investment capital to distressed communities and to individuals who have been unable to take full advantage of the financial services industry. Access to credit, investment capital, and financial services are essential ingredients for creating and retaining jobs, developing affordable housing, revitalizing neighborhoods, unleashing the economic potential of small businesses, and empowering people.

Through the BEA Program, the Fund seeks to: strengthen and expand the financial and organizational capacity of CDFIs; provide financial incentives to insured depository institutions to increase their lending and services in Distressed Communities; and increase the flow of private capital into Low- and Moderate-Income areas. Applicants participate in the BEA Program through a competitive process, which evaluates applications based on the value of their increases in certain Qualified Activities.

Program participants receive BEA Program award proceeds only after successful completion of the specified Qualified Activities.

On December 5, 1997, the Fund published in the **Federal Register** an interim regulation (62 FR 64439) implementing the BEA Program (the current rule). The deadline for the submission of comments was April 6, 1998.

II. Comments on the December 5, 1997 Interim Rule

By the close of the April 6, 1998 comment period, the Fund received no comments on the December 5, 1997 interim rule.

III. Summary of Changes

(1) *Purpose:* Section 1806.100 of the current rule contains a description of the purpose of the BEA Program. This interim rule revises such purpose to more accurately describe the purpose of the BEA Program.

(2) *New Definitions:* Section 1806.103 of the revised interim rule contains a number of new definitions: Community Development Entity (§ 1806.103(m)) which includes entities certified through the New Markets Tax Credit Program; CDFI Partner (§ 1806.103(o)) which includes CDFIs to which Applicants have provided assistance; and Deposit Liabilities (§ 1806.103(s)) includes savings and other deposit accounts. In addition, the revised interim rule defines Electronic Transfer Account (ETA) (§ 1806.103(w)), First Account (§ 1806.103(aa)), and Individual Development Account (IDA) (§ 1806.103(ff)) (such terms were defined in Notices of Funds Availability for certain prior BEA Program funding rounds).

(3) *Definitions for New Categories of Qualified Activities:* The revised interim rule creates Service Activities (§ 1806.103(oo)), a new category of Qualified Activities (§ 1806.103(mm)). The Service Activities category includes: Community Services (§ 1806.103(r)); Deposit Liabilities (§ 1806.103(s)); Financial Services (§ 1806.103(z)); Targeted Financial Services (§ 1806.103(rr)); and Targeted Retail Savings/Investment Products (§ 1806.103(ss)). Targeted Financial Services is a new category that includes ETAs, First Accounts, and IDAs. Targeted Retail Savings/Investment Products is a new sub-category that includes savings and other investment products targeted to Low- and Moderate-Income Residents of Distressed Communities.

The revised interim rule eliminates Development Activities

(§ 1806.201(b)(4) of the current rule), re-designating Development Activities as Distressed Community Financing Activities (§ 1806.103(u)). Distressed Community Financing Activities include: Affordable Housing Development Loans (§ 1806.103(b)); Affordable Housing Loans (§ 1806.103(c)), Home Improvement Loans (§ 1806.103(dd)); Education Loans (§ 1806.103(v)); Commercial Real Estate Loans (§ 1806.103(l)); and Small Business Loans (§ 1806.103(pp)). Affordable Housing Development Loan activities comprise loans related to the development of residential real property that is affordable to Low- and Moderate-Income households. Affordable Housing Loan means origination of a loan to finance the purchase or improvement of the borrower's primary residence, and that is secured by such property, where such borrower is a Low- and Moderate-Income individual (included in the Single Family Loans category of the current rule). Correspondingly, Single Family Loans have been re-designated as Home Improvement Loans and mean advances of funds, either unsecured or secured by a one-to-four family residential property, the proceeds of which are used to improve the borrower's primary residence. Education Loan means an advance of funds to a Resident of a Distressed Community for the purpose of financing a college or vocational education. Small Business Loan has been modified from focusing on the size of the loan to the size of the business and means an origination of a loan used for commercial or industrial activities (other than an Affordable Housing Finance Loan, Affordable Housing Development Loan, Commercial Real Estate Loan, Home Improvement Loan) to a business or farm that meets the size eligibility standards of the Small Business Administration's Development Company or Small Business Investment Company programs (13 CFR 121.301) or have gross annual revenues of \$1 million or less.

(4) *Definitions Related to Certain Qualified Activities:* Consistent with the Fund's objective of ensuring that BEA Program awards are targeted to institutions that provide capital and services to CDFIs and other enterprises that have significant impact in their communities, the revised interim rule provides that certain types of CDFI Support Activities (§ 1806.103(q)), Community Services (§ 1806.103(r)), and Financial Services (§ 1806.103(z)), must be, among other requirements, provided to CDFIs or other enterprises, as applicable, that are Integrally

Involved in a Distressed Community (§ 1806.200). The revised interim rule defines Integrally Involved (§ 1806.103(gg)) as meaning

(a) for a CDFI Partner, having provided at least five percent of financial transactions or dollars transacted (*e.g.*, loans or equity investments as defined in 12 CFR 1805.104(s)), or five percent of Development Service activities, in the Distressed Community identified by the Applicant or the CDFI Partner, as applicable, in each of the three calendar years preceding the date of the applicable NOFA, or having transacted at least ten percent of financial transactions (*e.g.*, loans or equity investments) in said Distressed Community in at least one of the three calendar years preceding the date of the applicable NOFA, or demonstrating that it has attained at least five percent of market share for a particular product in said Distressed Community (such as at least five percent of home mortgages originated in said Distressed Community) in at least one of the three calendar years preceding the date of the applicable NOFA; or

(b) for a non-CDFI, having directed at least five percent of its business activities (*e.g.*, investments, revenues, expenses, or other appropriate measures) to serving the Distressed Community identified by the Applicant in each of the three calendar years preceding the date of the applicable NOFA, or having provided at least ten percent of its business activities in said Distressed Community in at least one of the three calendar years preceding the date of the applicable NOFA.

The revised interim rule also provides that the Fund may qualify further certain Qualified Activities, for example, through the application of dollar amount caps, in the applicable NOFA.

(5) *Measuring and Reporting Qualified Activities*: Much of the information contained in § 1806.201 of the current rule has been consolidated in the revised interim rule to remove repetitive material and to improve readability. In addition, sections concerning the measurement of Qualified Activities (§ 1806.202(a)–(e) of the current rule) have been incorporated in § 1806.201 of the revised interim rule. The revised interim rule omits the Priority Factors (see § 1806.201(b)(3) of the current rule), and provides in § 1806.103(kk) that such Priority Factors shall be set forth in the applicable NOFA.

(6) *Low-Income Housing Tax Credits; New Markets Tax Credits*: Sections 1806.201(d)(1) and (2) of the revised

interim rule provide that activity by an Applicant shall not be considered a Qualified Activity if, with respect to such activity, the Applicant has received an allocation of Low-Income Housing Tax Credits or New Markets Tax Credits.

(7) *Treatment of Renewed/Refinanced Loans*: Section 1806.201(e)(1) of the revised interim rule clarifies the Fund's treatment of renewed and refinanced loans. The Fund will continue to value refinanced loans based upon the increase in principal over the original loan. However, financial assistance provided by an Applicant shall not constitute a Qualified Activity, as defined in this part, for the purposes of calculating or receiving an award if, such activity has matured and is then renewed. This treatment of renewed and refinanced loans is consistent with the Fund's objective of creating incentives for providing new capital. The Fund recognizes that while there is value to borrowers in having loan maturities extended and other terms renegotiated, such activities, strictly speaking, do not create an additional flow of funds.

(8) *Estimated award amounts*: Section 1806.202 of the revised interim rule provides that the estimated award amounts for all Qualified Activities (not solely for Development and Service as is the case under § 1806.203(c) of the current rule) shall be determined by applying the appropriate:

(a) award percentage (§ 1806.202(b)), as such percentages are set forth in the applicable NOFA, and

(b) Priority Factor, where applicable, as set forth in the applicable NOFA (§ 1806.202(c)).

(9) *Selection Process, actual award amounts*: Section 1806.203 of the revised interim rule sets forth the statutorily prescribed first priority for BEA Program awards for activities that have supported CDFIs. However, the revised interim rule omits the rankings of particular Qualified Activities within priority categories (§ 1806.204(b) of the current rule). Rather, the revised interim rule provides that the Fund will set forth the applicable rankings of particular Qualified Activities within a priority category in the applicable NOFA. In addition, the interim revised rule incorporates most of § 1806.205 of the current rule into § 1806.203, and deletes the "75 percent rule" (§ 1806.205(b) of the current rule).

(10) *Applications for Bank Enterprise Awards*: Section 1806.204 of the revised interim rule is substantially the same as § 1806.206 of the current rule. The revised interim rule omits the requirements that the Applicant submit a copy of its certificate of insurance

(§ 1806.206(b)(1) of the current rule); a narrative description of its Qualified Activities (§ 1806.206(b)(3) of the current rule); a report of its asset size (§ 1806.206(b)(4) of the current rule); and a copy of its most recent annual report (§ 1806.206(b)(7) of the current rule). The Fund believes that this information duplicates other information that is available to the Fund via other sources, including appropriate banking agencies.

(11) *Award Agreement; Sanctions*: Section 1806.300(c) of the revised interim rule provides that if a BEA Program award recipient, or its Subsidiary or Affiliate, fails to comply with the terms and conditions of its BEA Program award agreement, or the terms and conditions of any other assistance agreement under the CDFI Program, then the Fund may reject such Applicant's application or withhold any disbursement of such award funds.

(12) *Clarification on Measuring Certificates of Deposits*: Section 1806.103(q) of the revised interim rule provides that any certificate of deposit placed by an Applicant in a CDFI that is a bank, thrift, or credit union may be either:

(i) Uninsured and committed for a term of at least three years; or

(ii) Insured and committed for a term of at least three years, if it earns a rate of interest that is determined by the Fund to be materially below market, as set forth in the applicable NOFA.

IV. Rulemaking Analysis

(1) *Executive Order (E.O.) 12866*

It has been determined that this regulation is not a significant regulatory action as defined in Executive Order 12866. Therefore, a Regulatory Assessment is not required.

(2) *Regulatory Flexibility Act*

Because no notice of proposed rulemaking is required for this revised interim rule, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) do not apply.

(3) *Paperwork Reduction Act*

The collections of information contained in this interim rule have been previously reviewed and approved by OMB in accordance with the Paperwork Reduction Act of 1995 and assigned OMB Control Number 1559–0005. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid control number assigned by OMB. This document restates the collections of information without substantive change.

Comments concerning suggestions for reducing the burden of collections of information should be directed to the Deputy Director for Policy and Programs, Community Development Financial Institutions Fund, 601 13th Street, NW., Suite 200 South, Washington, DC 20005, and to the Office of Management and Budget, Attention: Desk Officer for the Department of the Treasury, Office of Information and Regulatory Affairs, Washington, D.C. 20503.

(4) National Environmental Policy Act

Pursuant to Treasury Directive 75-02 (Department of the Treasury Environmental Quality Program), the Department has determined that these revised interim regulations are categorically excluded from the National Environmental Policy Act and do not require an environmental review.

(5) Administrative Procedure Act

The Fund is promulgating this revised interim rule without opportunity for prior public comment pursuant to the Administrative Procedure Act (APA), 5 U.S.C. 553, because the BEA Program involves grants and is thereby exempt from the procedural requirements of the APA pursuant to 5 U.S.C. 553(a)(2). The Fund also believes that an immediate effective date is necessary for the convenience of the persons affected. Specifically, an immediate effective date will minimize the risk of confusion on the affected community by ensuring that there will be a single and uniform regulation in effect during the Assessment Period that, as stated in the NOFA published elsewhere in this issue of the **Federal Register**, will begin on January 1, 2003.

(6) Comment

Public comment is solicited on all aspects of this interim regulation. The Fund will consider all comments made on the substance of this interim regulation, but does not intend to hold hearings.

§ 1806.201 Measuring and Reporting Qualified Activities.

(a) *General.* An Applicant may receive a Bank Enterprise Award for engaging in any of the following categories of Qualified Activities during an Assessment Period: CDFI Related Activities, Distressed Community Financing Activities, or Service Activities. The Fund may further qualify such Qualified Activities in the applicable NOFA, including such additional geographic and transaction size limitations as the Fund deems appropriate.

(b) *Reporting Qualified Activities.* An Applicant should report only its Qualified Activities for the category in which it is seeking a Bank Enterprise Award. For example, if an Applicant is

seeking a Bank Enterprise Award for Distressed Community Financing Activities only, it should report only its activities for the Distressed Community Financing Activities category.

(1) If an Applicant elects to apply for an award in either the CDFI Related Activities category or the Distressed Community Financing Activities category, it must report on all types of activity within that category except if an Applicant can provide a reasonable explanation, acceptable to the Fund in its sole discretion, as to why it cannot report on such category.

(2) Exception. An Applicant may elect not to report each type of activity within the Service Activities category.

(c) *Area served.* Service Activities and Distressed Community Financing Activities must serve a Distressed Community. An activity is considered to serve a Distressed Community if it is:

(1) Undertaken in the Distressed Community; or

(2) Provided to Low- and Moderate-Income Residents or enterprises Integrally Involved in the Distressed Community.

(d) *Limitations.*

(1) Low-Income Housing Tax Credits. Financial assistance provided by an Applicant for which the Applicant receives benefits through Low-Income Housing Tax Credits, authorized pursuant to Section 42 of the Internal Revenue Code, as amended (26 U.S.C. 42), shall not constitute an Equity Investment, Project Investment, or other Qualified Activity, for the purposes of calculating or receiving a Bank Enterprise Award.

(2) New Markets Tax Credits. Financial assistance provided by an Applicant for which the Applicant receives benefits as an investor in a Community Development Entity that has received an allocation of New Markets Tax Credits, authorized pursuant to Section 45D of the Internal Revenue Code, as amended (26 U.S.C. 45D), shall not constitute an Equity Investment, Project Investment, or other Qualified Activity, for the purposes of calculating or receiving a Bank Enterprise Award.

(3) Loan Renewals. Financial assistance provided by an Applicant shall not constitute a Qualified Activity, as defined in this part, for the purposes of calculating or receiving an award if, such activity has matured and is then renewed.

(e) *Measuring the Value of Qualified Activities.* Subject to such additional or alternative valuations as the Fund may specify in the applicable NOFA, the Fund will assess the value of:

(1) Equity Investments, Equity-Like Loans, loans, grants and certificates of deposits, at the original amount of such Equity Investments, Equity-Like Loans, loans, grants or certificates of deposits. Where a certificate of deposit matures and is then rolled over during the Baseline Period or the Assessment Period, as applicable, the Fund will assess the value of the full amount of the rolled over deposit. Where an existing loan is refinanced (a new loan is originated to pay off an existing loan, whether or not there is a change in the applicable loan terms), the Fund will only assess the value of any increase in the principal amount of the refinanced loan;

(2) Project Investments at the original amount of the purchase of stock, limited partnership interest, other ownership interest, or grant;

(3) Deposit Liabilities at the dollar amount deposited as measured by comparing (i) the net change in the amount of applicable funds on deposit at the Applicant during the Baseline Period with (ii) the net change in the amount of applicable funds on deposit at the Applicant during the Assessment Period, as described below:

(i) The Applicant shall calculate the net change in deposits during the Baseline Period, by comparing the amount of applicable funds on deposit at the close of business the day before the beginning of the Baseline Period and at the close of business on the last day of the Baseline Period; and

(ii) The Applicant shall calculate the net change in such deposits during the Assessment Period, by comparing the amount of applicable funds on deposit at the close of business the day before the beginning of the Assessment Period and at the close of business on the last day of the Assessment Period;

(4) Financial Services and Targeted Financial Services based on the predetermined amounts as may be set forth by the Fund in the applicable NOFA; and

(5) Financial Services (other than those for which the Fund has established a predetermined value), Community Services, and CDFI Support Activities consisting of technical assistance based on the administrative costs of providing such services.

(f) *Closed Transactions.* A transaction shall be considered to have been carried out during the Baseline Period or the Assessment Period if the documentation evidencing the transaction:

(1) Is executed on a date within the applicable Baseline Period or Assessment Period, respectively; and

(2) Constitutes a legally binding agreement between the Applicant and a

borrower or investee which specifies the final terms and conditions of the transaction, except that any contingencies included in the final agreement must be typical of such transaction and acceptable (both in the judgment of the Fund); and

(3) An initial cash disbursement of loan or investment proceeds has occurred in a manner that is consistent with customary business practices and is reasonable given the nature of the transaction (as determined by the Fund) unless it is normal business practice to make no initial disbursement at closing and the Applicant demonstrates that the borrower has access to the proceeds, subject to reasonable conditions as may be determined by the Fund.

(g) *Reporting Period.* An Applicant may only measure the amount of a Qualified Activity that it reasonably expects to disburse to an investee, borrower, or other recipient within one year of the end of the applicable Assessment Period, or such other period as may be set forth by the Fund in the applicable NOFA.

§ 1806.202 Estimated award amounts.

(a) *General.* An Applicant shall calculate an estimated award amount that it shall submit to the Fund for consideration for a Bank Enterprise Award.

(b) *Award Percentages.* The Fund will establish the award percentage for each category of Qualified Activities in the applicable NOFA. Applicable award percentages for activities undertaken by Applicants that are CDFIs will be equal to three times the award percentages for activities undertaken by Applicants that are not CDFIs.

(c) *Calculating the estimated award amount.* The estimated award amount for each category of Qualified Activities will be equal to the applicable award percentage of the increase in the weighted value of such Qualified Activities between the Baseline Period and Assessment Period. The weighted value of the applicable Qualified Activities shall be calculated by:

(1) subtracting the Baseline Period value of such Qualified Activity from the Assessment Period value of such Qualified Activity to yield a remainder; and

(2) multiplying the remainder by the applicable Priority Factor (as set forth in the applicable NOFA).

(d) *Estimated Award Eligibility Review.* The Fund will determine the eligibility of each transaction for which an Applicant has applied for a Bank Enterprise Award. Based upon this review, the Fund will calculate the

actual award amount for which such Applicant is eligible.

§ 1806.203 Selection Process, actual award amounts.

(a) *Sufficient Funds Available to Cover Estimated Awards.* All Bank Enterprise Awards are subject to the availability of funds. If the amount of funds available during a funding round is sufficient to cover all estimated award amounts for which Applicants are eligible, in the Fund's determination, and an Applicant meets all of the program requirements specified in this part, then such Applicant shall receive an actual award amount that is calculated by the Fund in the manner specified in Section 1806.202.

(b) *Insufficient Funds Available to Cover Estimated Awards.* If the amount of funds available during a funding round is insufficient to cover all estimated award amounts for which Applicants are eligible, in the Fund's determination, then the Fund will select Awardees and determine actual award amounts based on the process described in this section.

(c) *Priority of Awards.* The Fund will rank Applicants in each category of Qualified Activity according to the priorities described in this paragraph (c). All Applicants in the first priority category will be selected for Bank Enterprise Awards before Applicants in the second priority category. All Applicants in the first and second priority categories will be selected for Bank Enterprise Awards before Applicants in the third priority category. Selections within each priority category will be based on the Applicants' relative rankings within each such category, subject to the availability of funds.

(1) *First priority.* If the amount of funds available during a funding round is insufficient for all estimated award amounts, first priority will be given to Applicants that propose to engage in CDFI Related Activities, ranked in the order set forth in the applicable NOFA.

(2) *Second priority.* If the amount of funds available during a funding round is sufficient for all CDFI Related Activities but insufficient for all estimated award amounts, second priority will be given to Applicants that propose to engage in Distressed Community Financing Activities, ranked in the order set forth in the applicable NOFA.

(3) *Third Priority.* If the amount of funds available during a funding round is sufficient for all CDFI Related Activities and all Distressed Community Financing Activities, but insufficient for all remaining estimated award amounts,

third priority will be given to Applicants that propose to engage in Service Activities, ranked in the order set forth in the applicable NOFA.

(d) *Calculating actual award amounts.* The Fund will determine actual award amounts based upon the availability of funds, increases in Qualified Activities from the Baseline to the Assessment Period, and an Applicant's priority ranking. If an Applicant receives an award for more than one priority category described in this section, the Fund will combine the award amounts into a single Bank Enterprise Award.

(e) *Unobligated or deobligated funds.* The Fund, in its sole discretion, may use any deobligated funds or funds not obligated during a funding round:

(1) To select Applicants not previously selected, using the calculation and selection process contained in this part;

(2) To make additional monies available for a subsequent funding round; or

(3) As otherwise authorized by the Act.

(f) *Limitation.* The Fund, in its sole discretion, may deny or limit the amount of an award for any reason.

§ 1806.204 Applications for Bank Enterprise Awards.

(a) *Notice of Funds Availability; Applications.* Applicants shall submit applications for Bank Enterprise Awards in accordance with this section and the applicable NOFA. After receipt of an application, the Fund may request clarifying or technical information related to materials submitted as part of such application or to verify that Qualified Activities were carried out in the manner prescribed in this part.

(b) *Application contents.* An application for a Bank Enterprise Award shall contain:

(1) A completed worksheet that reports the increases in Qualified Activities actually carried out during the Baseline and Assessment Period. If an Applicant has merged with another institution during the Assessment Period, it shall submit a separate Baseline Period worksheet for each subject institution and one Assessment Period worksheet that reports the activities of the merged institutions. If such a merger is unexpectedly delayed beyond the Assessment Period, the Fund reserves the right to withhold distribution of an award until the merger has been completed;

(2) A report of Qualified Activities that were closed during the Assessment Period. Such report shall describe the original amount, census tract served, and the dates of execution, initial

disbursement, and final disbursement of the instrument;
