

necessary for DoD to collect, share, and manage point of contact (POC) information for program administration and management purposes. The Government will collect typical business POC information from all DIB CS participants during the application process to join the program. This information includes company name and identifiers such as cage code and mailing address, employee names and titles, corporate email addresses, and corporate telephone numbers of company-identified POCs. DIB CS Program POCs include the Chief Executive Officer, Chief Information Officer, Chief Information Security Officer, and Corporate or Facility Security Officer, or their equivalents, as well as those administrative, policy, technical staff, and personnel designated to interact with the Government in executing the DIB CS Program. After joining the program, DIB CS participants provide updated POC information to DoD when personnel changes occur.
