Source: FDIC.

General Description of Collection: This information collection implements the Secure and Fair Enforcement for Mortgage Licensing Act of 2008 (SAFE Act) requirement that employees of federally-regulated institutions who engage in the business of a mortgage loan originator to register with the Nationwide Mortgage Licensing System and Registry and establishes national licensing and registration requirements. It also directs federally-regulated institutions to have written policies and procedures in place to ensure that their employees who perform mortgage loan originations comply with the registration and other SAFE Act requirements. There is no change in the method or substance of the collection. The overall decrease in burden hours is the result of decreases in both the estimated number of FDIC-supervised institutions engaged in mortgage lending as well as the estimated number of mortgage loan originators employed at such institutions.

SUPPLEMENTARY INFORMATION: Proposal to renew the following currently approved collection of information:

1. **Title:** Procedures for Monitoring Bank Protection Act Compliance.

OMB Number: 3064-0095.

Form Number: None.

Affected Public: Insured State nonmember banks.

Burden Estimate:

SUMMARY OF ESTIMATED ANNUAL BURDEN
[OMB No. 3064–0095]

Information Collection (IC) (obligation to respond)	Type of burden (frequency of response)	Number of respondents	Number of responses per respondent	Average time per response (HH:MM)	Annual burden (hours)

2. Bank Protection Act Compliance Program—Ongoing, 12 CFR Part 326 Subpart A (Mandatory).	Recordkeeping (Annual)	2882	1	6:00	17,292

4. Procedures for monitoring Bank Secrecy Act compliance—Ongoing, 12 CFR 326.8(b)(1) & (c) (Mandatory).	Recordkeeping (Annual)	2882	1	8:00	23,056
Total Annual Burden (Hours)	40,780

Source: FDIC.

General Description of Collection: The collection implements recordkeeping requirements associated with the Bank Protection Act. The Bank Protection Act of 1968 (12 U.S.C. 1881–1884) requires each Federal supervisory agency to promulgate rules establishing minimum standards for security devices and procedures to discourage financial crime and to assist in the identification of persons who commit such crimes. To avoid the necessity of constantly updating a technology-based regulation, the FDIC takes a flexible approach to implementing this statute. It requires each insured nonmember bank to

designate a security officer who will administer a written security program. The security program must (1) establish procedures for opening and closing for business and for safekeeping valuables; (2) establish procedures that will assist in identifying persons committing crimes against the bank; (3) provide for initial and periodic training of employees in their responsibilities under the security program; and (4) provide for selecting, testing, operating and maintaining security devices as prescribed in the regulation. In addition, the FDIC requires the security officer to report at least annually to the bank's

board of directors on the effectiveness of the security program. There is no change in the method or substance of the collection. The 9,670-hour decrease in burden is the result of the elimination of acquiring institutions as respondents, revisions to estimates of the time per response, as well as a decline in the number of FDIC-supervised institutions.

2. *Title:* Ombudsman Post-Examination Surveys.

OMB Number: 3064–0218.

Form Number: 6600/58; 6600/59.

Affected Public: FDIC-supervised insured depository institutions.

Burden Estimate:

SUMMARY OF ESTIMATED ANNUAL BURDEN
[OMB No. 3064–0218]

Information Collection (IC) (obligation to respond)	Type of burden (frequency of response)	Number of respondents	Number of responses per respondent	Average time per response (HH:MM)	Annual burden (hours)
1. Safety and Soundness Post-Examination Survey (Voluntary).	Reporting (Annual)	492	1	00:45	369
2. Consumer Compliance Post-Examination Survey (Voluntary).	Reporting (Annual)	329	1	00:45	247
Total Annual Burden (Hours)	616

Source: FDIC.

General Description of Collection: The purpose of the surveys is to gauge bankers' views on the effectiveness and quality of FDIC Safety and Soundness and Consumer Compliance examinations, as well as to identify ways to improve the examination process. Respondents are asked to voluntarily rate the efficiency of the preexamination process; examiners' professionalism and understanding of

the laws and regulations; the examination process; and examination report quality. Respondents will also be allowed to provide feedback on any areas for improvement and will be given an option to have someone from the FDIC Office of the Ombudsman contact the institution confidentially about its recent examination or any other matters. There is no change in the method or substance of the collection. The 251-

hour decrease in burden is the result of the reduction in the estimated annual number of respondents.
