Office of Presidential Libraries; Proposed Disposal of Superseded Version of Clinton Administration Electronic Mail Records

AGENCY: National Archives and Records Administration (NARA).

ACTION: Presidential Records Act notice of proposed disposal of superseded version of Clinton Administration electronic mail records; request for public comment.

SUMMARY: The National Archives and Records Administration (NARA) has identified an incomplete version of Presidential records on electronic media, housed at the National Archives at College Park, Maryland facility, as appropriate for disposal under the provisions of 44 U.S.C. 2203(f)(3). NARA will review timely public comments received on this notice before making a final determination on the disposal of the records.

This notice does not constitute a final agency action, as described in 44 U.S.C. 2203(f)(3), and no Presidential records will be disposed of following this notice. NARA will publish a second notice only after it has considered any comments received during this 45-day notice. The second, 60-day notice will constitute a final agency action, in the event NARA proceeds with disposal.

DATES: Comments must be received by February 13, 2004.

ADDRESSES: Comments regarding the proposed disposal of these Presidential records must be sent in writing to the
