Certain Softwood Lumber Products From Canada: Notice of Initiation and Preliminary Results of Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) is initiating a changed circumstances review (CCR) to determine whether TRAPA Forest Products Ltd. (TRAPA) is the successor-in-interest to Trans-Pacific Trading Ltd. (Trans-Pacific) in the context of the antidumping duty (AD) order on certain softwood lumber products (softwood lumber) from Canada. We preliminary determine that TRAPA is the successor-in-interest to Trans-Pacific.

DATES: Applicable July 15, 2024.

FOR FURTHER INFORMATION CONTACT: Robert Bolling, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–3434.

SUPPLEMENTARY INFORMATION:

Background

On January 3, 2018, Commerce published in the **Federal Register** an AD order on softwood lumber from Canada.¹ On April 11, 2024, TRAPA requested that, pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act), 19 CFR 351.216, and 19 CFR 351.221(c)(3), Commerce conduct an expedited CCR of the *Order* to determine that TRAPA is the successor-in-interest to Trans-Pacific and, accordingly, to assign it the cash deposit rate of Trans-Pacific. In its submission, TRAPA stated that in 2024, Trans-Pacific undertook a name change to TRAPA.² On May 17, 2024, Commerce issued a supplemental

questionnaire to TRAPA identifying certain areas for which we required additional information.³ On June 4, 2024, TRAPA amended its request for a CCR by providing the requested information.⁴

Scope of the Order

The product covered by the *Order* is softwood lumber from Canada. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.⁵

Initiation and Preliminary Results of CCR

Pursuant to section 751(b)(1)(A) of the Act and 19 CFR 351.216(d), Commerce will conduct a CCR upon receipt of information concerning, or a request from, an interested party for a review of an AD order which shows changed circumstances sufficient to warrant a review of the order. The information submitted by TRAPA supporting its claim that it is the successor-in-interest to Trans-Pacific demonstrates changed circumstances sufficient to warrant such a review.⁶ Therefore, in accordance with section 751(b)(1)(A) of the Act and 19 CFR 351.216(d) and (e), we are initiating a CCR based upon the information contained in TRAPAs' submission.

Section 351.221(c)(3)(ii) of Commerce's regulations permits Commerce to combine the notice of initiation of a CCR and the notice of preliminary results if Commerce concludes that expedited action is warranted.⁷ In this instance, because the record contains information necessary to make a preliminary finding, we find that expedited action is warranted and have combined the notice of initiation and the notice of preliminary results.⁸

In this CCR, pursuant to section 751(b) of the Act, Commerce is conducting a successor-in-interest

analysis. In making a successor-in-interest determination, Commerce examines several factors, including, but not limited to, changes in the following: (1) management; (2) production facilities; (3) supplier relationships; and (4) customer base.⁹ While no single factor or combination of factors will necessarily provide a dispositive indication of a successor-in-interest relationship, generally, Commerce will consider the new company to be the successor to the previous company if the new company's resulting operation is not materially dissimilar to that of its predecessor.¹⁰ Thus, if the record evidence demonstrates that, with respect to the production and sale of the subject merchandise, the new company operates as the same business entity as the predecessor company, Commerce may assign the new company the cash deposit rate of its predecessor.¹¹

In accordance with 19 CFR 351.216, we preliminarily determine that TRAPA is the successor-in-interest to Trans-Pacific. Record evidence, as submitted by TRAPA, indicates that TRAPA operates as essentially the same business entity as Trans-Pacific with respect to the subject merchandise.¹²

For the complete successor-in-interest analysis, including discussion of business proprietary information, see the accompanying Preliminary Decision Memorandum. A list of the topics discussed in the Preliminary Decision Memorandum is included as the appendix to this notice.
