#### Freshwater Crawfish Tail Meat From the People's Republic of China: Amended Final Results of Antidumping Duty New Shipper Reviews

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** September 27, 2001.

**FOR FURTHER INFORMATION CONTACT:** Jacqueline Arrowsmith or Maureen Flannery, AD/CVD Enforcement Group III, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202)

482-4052 or (202) 482-3020, respectively.

#### Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to the provisions codified at 19 CFR part 351 (2000).

#### Scope of the Reviews

The product covered by these reviews is freshwater crawfish tail meat, in all its forms (whether washed or with fat on, whether purged or unpurged), grades, and sizes; whether frozen, fresh, or chilled; and regardless of how it is packed, preserved, or prepared. Excluded from the scope of the order are live crawfish and other whole crawfish, whether boiled, frozen, fresh, or chilled. Also excluded are saltwater crawfish of any type, and parts thereof. Freshwater crawfish tail meat is currently classifiable in the Harmonized Tariff Schedule of the United States (HTS) under item numbers 1605.40.10.10, 0306.19.00.10 and 0306.29.00.00. The HTS subheadings are provided for convenience and Customs purposes only. The written description of the scope of this order is dispositive.

#### Amendment of Final Results

On August 27, 2001, the Department of Commerce (the Department) published the final results of its antidumping new shipper reviews on freshwater crawfish tail meat (crawfish tail meat) from the People's Republic of China (PRC). *Final Results of Antidumping Duty New Shipper Reviews: Freshwater Crawfish Tail Meat from the People's Republic of China* 66 FR 45002 (August 27, 2001). The companies covered by these new shipper reviews are China Kingdom Import & Export Co., Ltd. (China Kingdom), Nantong Shengfa Frozen Food Co., Ltd. (Nantong Shengfa), and Weishan Fukang Frozen Foodstuffs Co., Ltd. (Weishan Fukang). The period of review (POR) is September 1, 1999 through March 31, 2000.

On August 29, 2001, we received a submission from petitioner alleging ministerial errors in the final results of these new shipper reviews. The allegation was timely filed pursuant to section 351.224(c)(2) of the Department's regulations. We did not receive any submissions alleging ministerial errors in the final results of these new shipper reviews from China

Kingdom, Nantong Shengfa, or Weishan Fukang.

#### Comment 1: Application of Wet-to-Dry Conversion Factor.

Petitioner argues that the Department made a ministerial error in its application of the wet-dry conversion for the crawfish scrap credit to the raw crawfish input used in the calculation of normal value based on factors of production. Petitioner explains that 70% of the weight of crawfish scrap is water and argues that, therefore, to convert the dry-weight price to an equivalent wet-weight price, the Department must multiply the dry-weight price by 30 percent. Petitioner notes that in its narrative, the Department explained that it was adjusting the amount of scrap reported by the respondents by 30 percent to account for its wet condition. Petitioner states that the Department made an error in its calculations by multiplying the dry-weight surrogate price by 70 percent.

*Department's Position:* We agree with petitioner. We should have multiplied the dry-weight price by 30 percent as detailed in petitioner's comments on ministerial errors. We are making this correction for these amended final results.

#### Comment 2: HTS Numbers.

Petitioner argues that the description of the tariff classifications of subject merchandise in the "Scope of Reviews" section that the Department used in the preliminary and final results of these new shipper reviews contains several errors, omissions, and other inaccuracies which could confuse or mislead the U.S. Customs Service or market participants. *Preliminary Results of New Shipper Reviews and Rescission of a New Shipper Review: Freshwater Crawfish Tail Meat from the People's Republic of China* 66 FR 18604 (April 10, 2001) (*Preliminary Results*) and *Final Results of Antidumping Duty New Shipper Reviews: Freshwater Crawfish Tail Meat from the People's Republic of China* 66 FR 45002 (August 27, 2001) (*Final Results*). Petitioner states that HTS item number 1605.40.10.10 provides the most specific category for freshwater crawfish tail meat. Petitioner also states that HTS item number 1605.40.10.90, which was listed in the preliminary and final results, applies to various prepared or preserved crustacean products other than freshwater crawfish tail meat. *See Preliminary Results; see also Final Results.* Petitioner concludes its comments by providing suggested language for the scope of these reviews, which excludes the HTS item number 1605.40.10.90.
