Proposed Collection; Comment Request for Review of a Revised Information Collection: RI 34-1 and RI 34-3

AGENCY: Office of Personnel Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) intends to submit to the Office of Management and Budget a

request for review of a revised information collection. RI 34-1, Financial Resources Questionnaire, collects detailed financial information for use by OPM to determine whether to agree to a waiver, compromise, or adjustment of the collection of erroneous payments from the Civil Service Retirement and Disability Fund. RI 34-3, Notice of Amount Due Because of Annuity Overpayment, informs the annuitant about the overpayment and collects information from the annuitant about how repayment will be made.

Comments are particularly invited on: Whether this collection of information is necessary for the proper performance of functions of OPM, and whether it will have practical utility; whether our estimate of the public burden of this collection is accurate, and based on valid assumptions and methodology; and ways in which we can minimize the burden of the collection of information on those who are to respond, through use of the appropriate technological collection techniques or other forms of information technology.

Approximately 520 RI 34-1 and 1,561 RI 34-3 forms are completed annually. Each form takes approximately 60 minutes to complete. The annual estimated burden is 520 hours and 1,561 hours respectively.

OFFICE OF PERSONNEL MANAGEMENT

Solicitation of Federal Civilian and Uniformed Service Personnel for Contributions To Private Voluntary Organizations

AGENCY: Office of Personnel Management (OPM).

ACTION: Notice.

SUMMARY: The Office of Personnel Management (OPM) is implementing a Combined Federal Campaign (CFC) pilot program for up to 16 Local Federal Coordinating Committees (LFCC) to allow them to enter into two-year agreements with non-profit organizations to serve as the Principal Combined Fund Organization (PCFO). These agreements would be subject to renewal after the first year, following a review of performance as defined by the CFC regulations at 5 CFR Part 950, subparts A, D through F, and I. The primary objective of the pilot program is to assess the potential impact of the multi-year agreements in advance of a possible proposal for a permanent amendment to the CFC regulations and nationwide implementation with particular attention on: (a) Potential for costs savings; (b) potential to promote competition; (c) serve as incentive for mergers; and (d) potential need for new regulatory safeguards.

DATES: The pilot program will be effective for the selection of the 2005 PCFO, which must occur no later than March 15, 2005. Selected LFCCs that choose to participate will be required to conduct a performance review and decide whether or not to renew the agreement with the PCFO for the second year no later than January 16, 2006. If the agreement is not renewed, then the participating LFCC will need to solicit a new PCFO and make a selection no later than March 15, 2006.
