

estimated cost of the proposed facilities is approximately \$17.7 million.

Egan Hub states that its proposed project will not adversely affect the rates or service of its existing customers. Egan Hub is not proposing any change its currently authorized market based rate authority, and contends that the proposed project will not lead to Egan Hub exercising market power. Egan Hub also states that the proposed project will provide its customers increased transportation options and greater access to markets and supplies.

Any questions regarding the application may be directed to S.E. Tillman, Director of Regulatory Affairs, Egan Hub Partners, L.P., Post Office Box 1642, Houston, Texas 77251-1642, or telephone (713) 627-5113 or FAX (713) 627-5947.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the NGA. Comments, protests and interventions may be filed electronically via the internet in lieu of paper.
