The request consists of 24 parcels, or portions thereof that are depicted on the Airport's current Exhibit A—Airport Property Map.

DATES: Comments are due within 30 days of the date of the publication of this notice in the **Federal Register**. Written comments can be provided to Ms. Cayla D. SUPPLEMENTARY INFORMATION: Under the provisions of Title 49, U.S.C. 47153(c), and 47107(h)(2), the FAA is considering a proposal from the Executive Director, Port of Friday Harbor, to change a portion of the Friday Harbor Airport from aeronautical use to non-aeronautical use. A total of 24 parcels were included in the request. The FAA has reviewed the request and determined that all of the parcels or portions thereof in the request package except for parcels 44, 55 and 57 can be released from aeronautical use. The FAA concurs that the other parcels in the package are no longer needed for

aeronautical purposes or are otherwise inaccessible by aircraft. The revenue will support the Airports aviation needs, including upcoming projects associated with the pending B-II classification.

The proposed use of this property is considered compatible with other airport operations in accordance with FAA's Policy and Procedures Concerning the Use of Airport Revenue, published in **Federal Register** on February 16, 1999.

Issued in Des Moines, Washington on April 23, 2020.
