

Funding for the allowable award extensions listed in this notice is contingent upon the availability of Fiscal Year 2008 appropriations, which have not yet been appropriated for the NABEC program. MBDA therefore issues this notice subject to the appropriations made available under the current continuing resolution, H.J. Res. 52, "Making continuing appropriations for the fiscal year 2008, and for other purposes," Public Law 110-92. In no event will MBDA or the Department of Commerce be responsible to cover any costs incurred outside of the current award period by the incumbent operators of the five (5) NABEC projects affected by this notice if the NABEC Program fails to receive funding or is cancelled because of other MBDA or Department priorities. Publication of this announcement does not oblige MBDA or the Department to award any extensions or to obligate any available funds for such purpose.
