of the requested registration, as provided in this notice. This notice does not constitute any evaluation or determination of the merits of the application submitted.

The applicant plans to manufacture bulk active pharmaceutical ingredients (APIs) for product development and distribution to DEA registered researchers. If the application for registration is granted, the registrant would not be authorized to conduct other activity under this registration aside from those coincident activities specifically authorized by DEA regulations. DEA will evaluate the application for registration as a bulk manufacturer for compliance with all applicable laws, treaties, and regulations and to ensure adequate safeguards against diversion are in place.

As this applicant has applied to become registered as a bulk manufacturer of marihuana, the application will be evaluated under the criteria of 21 U.S.C. 823(a). DEA proposes to conduct this evaluation in the manner described in the rule proposed at 85 FR 16292, published on March 23, 2020, if finalized.

In accordance with 21 CFR 1301.33(a), DEA is providing notice that on March 2, 2020, Denco, LLC, 5155 East 46th Avenue, Denver, Colorado 80216, applied to be registered as a bulk manufacturer of the following basic class(es) of controlled substances:

Controlled substance	Drug code	Schedule
Marihuana	7360	I
Tetrahydrocannabinols.	7370	I

The applicant's notice above applied to become registered with DEA to grow marihuana as a bulk manufacturer subsequent to a 2016 DEA policy statement that provided information on how it intended to expand the number of registrations, and described in general terms the way it would oversee those additional growers. In order to complete the evaluation and registration process for applicants to grow marihuana, DEA has proposed regulations that, if finalized, would supersede the 2016 policy statement and govern persons seeking to become registered with DEA to grow marihuana as a bulk manufacturer, consistent with applicable law. The proposed regulations are available at 85 FR 16292.

Assistant Administrator.
