## INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-453 (Final) and  
731-TA-1136-1137 (Final)]

### Sodium Nitrite From China and Germany

#### Determinations

On the basis of the record<sup>1</sup> developed  
in the subject investigations, the United  
States International Trade Commission  
(Commission) determines, pursuant to  
sections 705(b) and 735(b) of the Tariff  
Act of 1930 (19 U.S.C. 1671d(b),  
1673d(b)) (the Act), that an industry in  
the United States is materially injured  
by reason of imports from China and  
Germany of sodium nitrite, provided for  
in subheading 2834.10.10 of the  
Harmonized Tariff Schedule of the  
United States, that have been found by  
the Department of Commerce  
(Commerce) to be sold in the United  
States at less than fair value (LTFV) and  
by imports from China of sodium nitrite  
found by Commerce to be subsidized by  
the Government of China.

#### Background

The Commission instituted these  
investigations effective November 8,  
2007, following receipt of a petition  
filed with the Commission and  
Commerce by General Chemical LLC of  
Parsippany, NJ. The final phase of the  
investigations was scheduled by the  
Commission following notification of  
preliminary determinations by  
Commerce that imports of sodium  
nitrite from China were being  
subsidized within the meaning of  
section 703(b) of the Act (19 U.S.C.  
1671b(b)) and that imports of sodium  
nitrite from China and Germany were  
being sold at LTFV within the meaning  
of section 733(b) of the Act (19 U.S.C.  
1673b(b)). Notice of the scheduling of  
the final phase of the Commission's  
investigations and of a public hearing to  
be held in connection therewith was  
given by posting copies of the notice in  
the Office of the Secretary, U.S.  
International Trade Commission,  
Washington, DC, and by publishing the  
notice in the **Federal Register** of May 5,  
2008 (73 FR 24610). The hearing was  
held in Washington, DC, on July 2,  
2008, and all persons who requested the  
opportunity were permitted to appear in  
person or by counsel.

The Commission transmitted its  
determinations in these investigations to  
the Secretary of Commerce on August  
20, 2008. The views of the Commission
