

**DEPARTMENT OF TRANSPORTATION****National Highway Traffic Safety Administration**

[U.S. DOT Docket Number NHTSA-2005-23272]

**Reports, Forms, and Recordkeeping Requirements****AGENCY:** National Highway Traffic Safety Administration (NHTSA), Department of Transportation.**ACTION:** Request for public comment on proposed collection of information.**SUMMARY:** Before a Federal agency can collect certain information from the public, it must receive approval from the Office of Management and Budget (OMB). Under procedures established by the Paperwork Reduction Act of 1995, before seeking OMB approval, Federal agencies must solicit public comment on proposed collections of information, including extensions and reinstatement of previously approved collections. This document describes one collection of information for which NHTSA intends to seek OMB approval.**DATES:** Comments must be received on or before February 27, 2006.**ADDRESSES:** Comments must refer to the docket notice numbers cited at the beginning of this notice and be submitted to Docket Management, Room PL-401, 400 Seventh Street, SW., Washington, DC 20590. Please identify the proposed collection of information for which a comment is provided, by referencing its OMB clearance Number. It is requested, but not required, that 2 copies of the comment be provided. The Docket Section is open on weekdays from 10 a.m. to 5 p.m.**FOR FURTHER INFORMATION CONTACT:** Complete copies of each request for collection of information may be obtained at no charge from Mr. Donovan Green, Office of Crash Avoidance Standards, 400 Seventh Street, SW., DC 20590. Mr. Green's telephone number is (202) 493-0248. His FAX number is (202) 493-2739. Please identify the relevant collection of information by referring to its OMB Control Number.**SUPPLEMENTARY INFORMATION:** Under the Paperwork Reduction Act of 1995, before an agency submits a proposed collection of information to OMB for approval, it must first publish a document in the **Federal Register** providing a 60-day comment period and otherwise consult with members of the public and affected agencies concerning each proposed collection of information. The OMB has promulgated regulations describing what must be included in

such a document. Under OMB's regulation (at 5CFR 1320.8(d)), an agency must ask for public comment on the following:

(i) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(ii) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(iii) How to enhance the quality, utility, and clarity of the information to be collected;

(iv) How to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submission of responses.

In compliance with these requirements, NHTSA asks for public comments on the following proposed collections of information:

*Title:* Tire Identification and Recordkeeping.*OMB Control Number:* 2127-0050.*Requested Expiration Date of Approval:* Three years from the approval date.*Type of Request:* Extension of a currently approved collection.*Affected Public:* Tire and rim manufacturers, new tire dealers and distributors, and consumers.*Form Number:* This collection of information uses no standard forms.*Abstract:* Each tire manufacturer and rim manufacturer must label their tire or rim with the applicable safety information. These labeling requirements ensure that tires are mounted on the appropriate rims; and that the rims and tires are mounted on the vehicles for which they are intended. It is estimated that this rule affects 10 million respondents annually. This group consists of approximately 8 tire manufacturers, 12,000 new tire dealers and distributors, and 10 million consumers who choose to register their tire purchases with the manufacturers.*Estimated Annual Burden:* 245,000 hours.*Estimated Number of Respondents:* 10,000,000.

Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimate of the burden of the proposed information collection;

ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Issued on: December 22, 2005.
