#### SUPPLEMENTARY INFORMATION:

##### Scope of the Antidumping Duty Order

The merchandise subject to the order is uncovered innerspring units.<sup>2</sup> The product is currently classified under subheading 9404.29.9010 and has also been classified under subheadings 9404.10.0000, 7326.20.0070, 7320.20.5010, 7320.90.5010, or 7326.20.0071 of the Harmonized Tariff Schedule of the United States (“HTSUS”). The HTSUS subheadings are provided for convenience and customs purposes only; the written product description of the scope of the order is dispositive.<sup>3</sup>

##### Scope of the Anticircumvention Inquiry

The products covered by this inquiry are innerspring units, as described above, that are manufactured in Malaysia by Reztec with PRC-origin components and other direct materials, such as helical wires, and that are subsequently exported from Malaysia to the United States.

##### Methodology

The Department has conducted this preliminary determination of circumvention in accordance with section 781(b) of the Act and 19 CFR 351.225(h). For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum can be accessed directly on the internet at <http://www.trade.gov/ia/> and is on file electronically via Import Administration’s Antidumping and Countervailing Duty Centralized Electronic Service System (“IA ACCESS”). IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and in the Central Records Unit, Room 7046 of the main Department of Commerce building. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content. The Preliminary Decision Memorandum is hereby adopted by this notice.

<sup>2</sup> See Memorandum to Paul Piquado, Assistant Secretary for Import Administration, from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, entitled “Anticircumvention Inquiry Regarding the Antidumping Duty Order on Uncovered Innerspring Units from the People’s Republic of China: Preliminary Determination Decision Memorandum for Reztec Industries Sdn Bhd” which is dated concurrently with this notice (“Preliminary Decision Memorandum”) for a complete description of the scope of the Order.

<sup>3</sup> See Order, 74 FR at 7661.

##### Preliminary Findings

As detailed in the Preliminary Decision Memorandum, the Department has preliminarily determined, using partial adverse facts available, that innerspring units completed and assembled in Malaysia by Reztec using components from the PRC and exported from Malaysia to the United States are circumventing the Order. Moreover, because Reztec cannot distinguish between those innerspring units it is exporting to the United States which contain PRC-origin components and those that do not, the Department has preliminarily determined that it is appropriate to instruct U.S. Customs and Border Protection (“CBP”) to suspend liquidation of all entries of innerspring units from Malaysia produced by Reztec as subject to the Order.<sup>4</sup>

##### Suspension of Liquidation

In accordance with 19 CFR 351.225(l)(2), the Department will direct CBP to suspend liquidation and to require a cash deposit of estimated duties at the rate applicable to the exporter, on all unliquidated entries of innerspring units produced by Reztec that were entered, or withdrawn from warehouse, for consumption on or after May 23, 2012, the date of initiation of the anticircumvention inquiry.<sup>5</sup>

Should the Department conduct an administrative review in the future, and determine in the context of that review that Reztec did not produce for export innerspring units using PRC-origin innerspring components, the Department will consider initiating a changed circumstances review pursuant to section 751(b) of the Act to determine if the continued suspension of all innerspring units produced by Reztec is warranted.<sup>6</sup>

##### Notification to the International Trade Commission

The Department, consistent with section 781(e) of the Act and 19 CFR 351.225(f)(7)(i)(B), has notified the International Trade Commission (“ITC”) of this preliminary determination to include the merchandise subject to this anticircumvention inquiry within the Order. Pursuant to section 781(e) of the Act, the ITC may request consultations concerning the Department’s proposed inclusion of the subject merchandise. If, after consultations, the ITC believes that

a significant injury issue is presented by the proposed inclusion, it will have 15 days to provide written advice to the Department.

##### Public Comment

Case and rebuttal briefs, when submitted, must comport with the requirements contained in 19 CFR 351.309(c)(2) and (d)(2).

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration, filed electronically via IA ACCESS. This preliminary affirmative circumvention determination is published in accordance with section 781(b) of the Act and 19 CFR 351.225.

*Title of Collection:* Implementation of Title I/II Program Initiatives.

*OMB Control Number:* 1850-New.

*Type of Review:* A new information collection.

*Respondents/Affected Public:* State, Local or Tribal Governments.

*Total Estimated Number of Annual Responses:* 12,231.

*Total Estimated Number of Annual Burden Hours:* 6,573.

*Abstract:*

The Implementation of Title I/II Program Initiatives study will examine the implementation of policies promoted through the Elementary and Secondary Education Act (ESEA) at the state, district and school levels, in four core areas: state content standards, aligned assessments, accountability and school turnaround, and development of effective teachers and leaders.

The purpose of this new data collection is to provide policy makers with detailed information on the progress being made on the core policies promoted by Title I and Title II, and the recent granting of ESEA Flexibility to states. Although other research studies cover similar topics on recent federal education policy, the breadth of research questions and the depth of responses from all SEAs and three levels of nationally representative samples, sets the Title I/II study apart from other studies.

This study will rely on information collected from existing sources, for which there are no respondents or burden and on a new set of surveys in order to address the study's research questions. Extant data sources include (a) The National Assessment of Educational Progress (NAEP); (b) EDFacts data; (c) information about teacher preparation and certification programs and policies; and (d) state documents.

The new surveys of states and districts will begin in November 2013 and the surveys of schools (principals) and teachers will begin in January 2014. All respondents will have the opportunity to complete an electronic (email or web-based) survey (or paper survey, if preferred).
