OFFICE OF PERSONNEL MANAGEMENT**Proposed Collection; Comment Request for Review of an Emergency Information Collection: Customer Satisfaction Survey****AGENCY:** Office of Personnel Management.**ACTION:** Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) will submit to the Office of Management and Budget a request for review of an emergency information collection. The Customer Satisfaction Survey will be used to survey the contractors of the Defense Finance and Accounting Service (DFAS). The collection of this information is authorized by 5 U.S.C. 4703. The purposes are to identify DFAS's strengths and areas for improvement, and to provide an opportunity for DFAS's customers to communicate their needs. Approximately 6,000 surveys will be distributed. Each survey takes approximately 10 minutes to complete. We expect 1,800 responses for an annual burden of 300 hours.

Comments are particularly invited on:

- whether this collection of information is necessary for the proper performance of DFAS, and whether it will have practical utility;
- whether our estimate of the public burden of this collection is accurate, and based on valid assumptions and methodologies; and
- ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

BILLING CODE 6325-38-P**OFFICE OF PERSONNEL MANAGEMENT****Proposed Collection; Comment Request for Review of a New Information Collection: Standard Form 2821****AGENCY:** Office of Personnel Management.**ACTION:** Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Public Law 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) intends to submit to the Office of Management and Budget a request for review of a new information collection. SF 2821, Agency Certification of Insurance Status, is completed by agencies when an employee's life insurance stops or is scheduled to stop, except when the employee voluntarily cancels coverage, or the employee is immediately transferring to another position which will provide eligibility for Federal Employees' Group Life Insurance (FEGLI) coverage. This collection allows agencies and/or the retirement system to accurately report the level of coverage and value of the employee's life insurance for conversion and portability purposes.

The SF 2821 also will be used by family members who wish to convert Option C coverage, as well as by assignees and separated employees who wish to convert some or all of their coverages or port Option B coverage. Compensationers and retirees losing compensation or annuity benefits will use the form to convert their coverage(s). The SF 2821 will incorporate the function of the SF 2819, Notice of Conversion Privilege. Upon publication of the revised SF 2821, the SF 2819 will be obsolete.

Comments are particularly invited on: whether this information is necessary for the proper performance of functions of OPM, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; and ways in which we can minimize the
