SUPPLEMENTARY INFORMATION:

Background

On November 13, 2020, and January 27, 2021, Commerce published the *Preliminary Determinations*¹ for the anti-circumvention inquiries of the AD and CVD orders on uncoated paper from Brazil, China, and Indonesia with respect to uncoated paper rolls which are imported from Brazil, China, and Indonesia, and further processed into uncoated paper sheets subject to the *Orders*.² We invited parties to comment on the *Preliminary Determinations*. A summary of the events that occurred since Commerce published the *Preliminary Determinations* may be found in the respective Issues and Decision Memoranda.³ Commerce conducted these anti-circumvention inquiries in accordance with section 781(a) of the Tariff Act of 1930, as amended (the Act).

Scope of the Orders

The merchandise subject to these *Orders* includes uncoated paper in sheet

¹ See *Certain Uncoated Paper from the People's Republic of China: Affirmative Preliminary Determinations of Circumvention of the Antidumping and Countervailing Duty Orders for Uncoated Paper Rolls*, 85 FR 72624 (November 13, 2020) (*China Preliminary Determination*), and accompanying Preliminary Determination Memorandum (PDM); *Certain Uncoated Paper from Brazil: Affirmative Preliminary Determination of Circumvention of the Antidumping Duty Order for Uncoated Paper Rolls*, 86 FR 7261 (January 27, 2021) (*Brazil Preliminary Determination*), and accompanying PDM; and *Certain Uncoated Paper from Indonesia: Affirmative Preliminary Determinations of Circumvention of the Antidumping and Countervailing Duty Orders for Uncoated Paper Rolls*, 86 FR 7266 (January 27, 2021) (*Indonesia Preliminary Determination*), and accompanying PDM (collectively, *Preliminary Determinations*).

² See *Certain Uncoated Paper from Australia, Brazil, Indonesia, the People's Republic of China, and Portugal: Amended Final Affirmative Antidumping Determinations for Brazil and Indonesia and Antidumping Duty Orders*, 81 FR 11174 (March 3, 2016) (*Orders*).

³ See Memoranda, "Final Decision Memorandum for Anti-Circumvention Inquiry of the Antidumping Duty Order on Certain Uncoated Paper from Brazil: Uncoated Paper Rolls"; "Final Decision Memorandum for Anti-Circumvention Inquiries of the Antidumping and Countervailing Duty Orders on Certain Uncoated Paper from Indonesia: Uncoated Paper Rolls"; and "Anti-Circumvention Inquiries of the Antidumping Duty Orders on Certain Uncoated Paper from Brazil, China, and Indonesia, and the Countervailing Duty Orders on Certain Uncoated Paper from China and Indonesia: Uncoated Paper Rolls Certification," dated concurrently with, and hereby adopted by, this notice (collectively, *Issues and Decision Memoranda*).

form; weighing at least 40 grams per square meter but not more than 150 grams per square meter; that either is a white paper with a GE brightness level⁴ of 85 or higher or is a colored paper; whether or not surface-decorated, printed (except as described below), embossed, perforated, or punched; irrespective of the smoothness of the surface; and irrespective of dimensions (Certain Uncoated Paper).

Certain Uncoated Paper includes (a) uncoated free sheet paper that meets this scope definition; (b) uncoated ground wood paper produced from bleached chemi-thermo-mechanical pulp (BCTMP) that meets this scope definition; and (c) any other uncoated paper that meets this scope definition regardless of the type of pulp used to produce the paper.

Specifically excluded from the scope are (1) paper printed with final content of printed text or graphics and (2) lined paper products, typically school supplies, composed of paper that incorporates straight horizontal and/or vertical lines that would make the paper unsuitable for copying or printing purposes. For purposes of this scope definition, paper shall be considered “printed with final content” where at least one side of the sheet has printed text and/or graphics that cover at least five percent of the surface area of the entire sheet.

On September 1, 2017, Commerce determined that imports of uncoated paper with a GE brightness of 83 +/- 1% (83 Bright paper), otherwise meeting the description of in-scope merchandise, constitute merchandise “altered in form or appearance in minor respects” from in-scope merchandise that are subject to these *Orders*.⁵

Imports of the subject merchandise are provided for under Harmonized Tariff Schedule of the United States (HTSUS) categories 4802.56.1000, 4802.56.2000, 4802.56.3000, 4802.56.4000, 4802.56.6000, 4802.56.7020, 4802.56.7040,

4802.57.1000, 4802.57.2000, 4802.57.3000, and 4802.57.4000. Some imports of subject merchandise may also be classified under 4802.62.1000, 4802.62.2000, 4802.62.3000, 4802.62.5000, 4802.62.6020, 4802.62.6040, 4802.69.1000, 4802.69.2000, 4802.69.3000, 4811.90.8050 and 4811.90.9080. While HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the *Orders* is dispositive.

Merchandise Subject to the Anti-Circumvention Inquiries

These anti-circumvention inquiries cover certain uncoated paper rolls that are commonly, but not exclusively, known as “sheeter rolls” from Brazil, China, and Indonesia that are further processed in the United States into individual sheets of uncoated paper that would be subject to the *Orders* (i.e., paper that weighs at least 40 grams per square meter but not more than 150 grams per square meter; and that either is a white paper with a GE brightness level of 83 +/- 1% or higher or is a colored paper (as defined above)). The uncoated paper rolls covered by these inquiries are converted into sheets of uncoated paper using specialized cutting machinery prior to printing, and are typically, but not exclusively, between 52 and 103 inches wide and 50 inches in diameter. For clarity, we herein refer to “subject-paper rolls” when referencing the certain uncoated paper rolls that may be converted into subject merchandise. Subject-paper rolls are classified under HTSUS category 4802.55.

Certain importers of the subject-paper rolls that are not converted into subject merchandise may certify that the rolls will not be further processed into subject merchandise covered by the scope of the *Orders*.⁶ Failure to comply with the requisite certification requirement may result in the merchandise being found subject to AD and/or CVD duties.

Analysis of Comments Received

All the issues raised in the case and rebuttal briefs that were submitted by parties in the respective inquiries are addressed in the Issues and Decision Memoranda. Lists of the issues raised regarding the Brazil and Indonesia determinations are attached to this notice at Appendices I and II, respectively. A list of the issues raised regarding the certification program are attached to this notice at Appendix III. No comments were submitted with

respect to the China determination. The Issues and Decision Memoranda are public documents and are on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, complete versions of the Issues and Decision Memoranda can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Final Determinations

In the *Preliminary Determinations*, we determined that imports of subject-paper rolls that are converted into uncoated paper sheets are circumventing the *Orders*. Specifically, we determined that imports of subject-paper rolls from Brazil, China, and Indonesia are being finished and sold in the United States pursuant to the statutory and regulatory criteria laid out in section 781(a) of the Act and 19 CFR 351.225(g).

For the *Brazil Preliminary Determination*, we relied upon record evidence submitted by the petitioners,⁷ Suzano,⁸ Perez Trading Company (Perez), IP,⁹ and one U.S. company that requested proprietary treatment of its name. We also relied on adverse facts available (AFA) for Ahlstrom-Munksjö Brasil Industria e Comercio de Papeis Especiais Ltda (Ahlstrom)¹⁰ because it failed to respond to Commerce’s request for information.

For the *China Preliminary Determination*, we relied upon information provided by the petitioners and on AFA for seven non-responsive companies because they failed to respond to Commerce’s request for information.¹¹ Additionally, we considered the no shipment responses

⁷ The petitioners include Domtar Corporation; Packaging Corporation of America; North Pacific Paper Company; Finch Paper LLC; and United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union.

⁸ Suzano includes Suzano S.A. and Suzano Pulp and Paper America, Inc.

⁹ IP includes International Paper do Brasil Ltda. and International Paper Exportadora Ltda.

¹⁰ Ahlstrom also operates under the names Ahlstrom Brasil Ltd. and Ahlstrom-Munksjö Brasil Indústria e Comércio de Papeis Especiais LTDA. Ahlstrom also previously operated under the names Munksjö Brasil Ind e Com de Papeis Especiais LTDA and Ahlstrom Brasil Ind e Com de Papeis Especiais LTDA. See Ahlstrom’s Letter, “Response to September 3, 2021 Letter from the Department of Commerce Requesting Company Name Clarification,” dated September 9, 2021.

¹¹ These non-responsive companies are Central National Asia Limited, Kingdecor (Zhejiang) Co., Ltd., Shandong Sun Paper Industry Joint Stock Co Ltd, Sun Paper (Hong Kong) Co., Limited, and Sunpack Paper Products Company.

⁴ One of the key measurements of any grade of paper is brightness. Generally speaking, the brighter the paper the better the contrast between the paper and the ink. Brightness is measured using a GE Reflectance Scale, which measures the reflection of light off a grade of paper. One is the lowest reflection, or what would be given to a totally black grade, and 100 is the brightest measured grade. “Colored paper” as used in this scope definition means a paper with a hue other than white that reflects one of the primary colors of magenta, yellow, and cyan (red, yellow, and blue) or a combination of such primary colors.

⁵ See *Certain Uncoated Paper from Australia, Brazil, the People’s Republic of China, Indonesia, and Portugal: Affirmative Final Determination of Circumvention of the Antidumping and Countervailing Duty Orders*, 82 FR 41610 (September 1, 2017).

⁶ See Appendices IV through IX.

from Asia Symbol,¹² Gold Huasheng,¹³ and Marubeni.¹⁴

For the *Indonesia Preliminary Determination*, we based the determination on information provided by the petitioners, APP Indonesian Mills,¹⁵ APRIL,¹⁶ Great Champ Trading Limited, CellMark Paper Inc. (CellMark), Charta Global, and International Forest Products. We also relied on AFA in whole (for companies that failed to respond to Commerce's requests for information)¹⁷ or in part (for CellMark, which submitted incomplete information). For a complete discussion of the evidence which led to our preliminary determinations, see the *Preliminary Determinations* and accompanying Preliminary Decision Memoranda.

Our final determinations remain unchanged from the *Preliminary Determinations*. Accordingly, we determine, pursuant to section 781(a) of the Act and 19 CFR 351.225(g), that imports of certain uncoated paper rolls from Brazil, China, and Indonesia are circumventing the *Orders*. We made no changes to the certification programs.

Liquidation of Entries

For all entries of merchandise subject to the AD order on uncoated paper from Brazil, entered or withdrawn from warehouse for consumption on or before February 28, 2021, Commerce intends to instruct CBP to liquidate those entries at the applicable AD rates for those entries.¹⁸

For entries of subject-paper rolls from China that were entered, or withdrawn from warehouse, for consumption from

October 10, 2019, through October 17, 2019, Commerce intends to instruct Customs and Border Protection (CBP) to liquidate those entries without regard to AD or CVD duties.¹⁹ For entries of subject-paper rolls from China that were produced, exported, or imported by companies other than the non-responsive companies,²⁰ entered, or withdrawn from warehouse, for consumption from November 6, 2020, through November 12, 2020, Commerce intends to instruct CBP to liquidate those entries without regard to AD or CVD duties.²¹

For all entries of merchandise subject to the AD order on uncoated paper from Indonesia, entered or withdrawn from warehouse for consumption on or before February 28, 2021, Commerce intends to instruct CBP to liquidate those entries at the applicable AD rates for those entries.²² For all entries of merchandise subject to the CVD order on uncoated paper from Indonesia, entered or withdrawn from warehouse for consumption on or before December 31, 2020, Commerce intends to instruct CBP to liquidate those entries at the applicable CVD rates for those entries.²³

Continuation of Suspension of Liquidation

As a result of this determination, and consistent with 19 CFR 351.225(l)(3), we will instruct CBP to continue to suspend the liquidation of all entries of subject-paper rolls entered under the Brazil, China, and Indonesia AD orders after February 28, 2021, and all entries

entered under the China and Indonesia CVD orders after December 31, 2020, and to require cash deposits of estimated AD and CVD duties at the applicable subject merchandise rates.

Certification Requirements

As a result of these anti-circumvention proceedings, subject-paper rolls, as defined above, produced in Brazil, China, and Indonesia that are further processed into uncoated paper sheets in the United States, are subject to the . Accordingly, pursuant to 19 CFR 351.228,²⁴ Commerce is continuing to impose a certification requirement for purposes of enforcing and administering its final determinations. Therefore, if an importer imports subject-paper rolls from Brazil, China or Indonesia that will not be further processed into uncoated paper sheets, in order to not be subject to cash deposit requirements, the importer is required to meet the certification and documentation requirements described in Appendix IV for merchandise from Brazil, Appendix VI for merchandise from China, and VIII for merchandise from Indonesia. Properly certified entries are not subject to AD/CVD duties under the *Orders*. Exemption from AD and CVD duties under the *Orders* is permitted only if the certification and documentation specified in Appendices IV and V for merchandise from Brazil, Appendices VI and VII for merchandise from China, and VIII and IX for merchandise from Indonesia, are met.

Notification Regarding Administrative Protective Order

This notice also serves as the only reminder to all parties subject to the administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

This determination is issued and published in accordance with section 781(a) of the Act, and 19 CFR 351.225(g).

²⁴ On September 20, 2021, Commerce adopted a new regulation, 19 CFR 351.228, which codifies Commerce's certification practice. Therefore, Commerce will instruct CBP to liquidate all entries through the end of the last completed administrative review period.

¹⁹ In the *China Preliminary Determination*, we suspended liquidation for entries produced or exported by CNAL, Kingdecor, Shandong Sun Paper, Sun Paper HK, and Sunpack starting October 10, 2019, the date we initiated these inquiries. Certification Requirements: Brazil

If an importer imports subject-paper rolls from Brazil and claims that the subject-paper rolls will not be further processed into uncoated paper sheets covered by the *Order*, the importer is required to complete and maintain the importer certification attached hereto at Appendix V and all supporting documentation. Where the importer uses a broker to facilitate the entry process, it should obtain the entry summary number from the broker. Agents of the importer, such as brokers, however, are not permitted to make this certification on behalf of the importer.

All importers of subject-paper rolls from Brazil are eligible for the certification process detailed below, with the exception that entries of subject-paper rolls produced and/or exported by Ahlstrom Brasil Ltd., Ahlstrom-Munksjö Brasil Indústria e Comércio de Papeis Especiais Ltda, and/or Ahlstrom-Munksjö Brasil Indústria e Comércio de Papéis Especiais LTDA. are ineligible for certification.

For entries of subject-paper rolls from Brazil entered, or withdrawn from warehouse, for consumption on or after the date this final determination was signed for which the importer claims that the rolls will not be further processed into uncoated paper subject to the order, the importer is required to meet the certification and documentation requirements detailed in the certifications in order for no suspension of liquidation and no cash deposit to be required for such entries. Among other requirements detailed below, importers are required to maintain a copy of any certifications, as well as sufficient documentation supporting the certification (*i.e.*, documents maintained in the normal course of business, or documents obtained by the certifying party, for example, mill certificates, production records, invoices, *etc.*) for the later of: (1) A period of five years from the date of entry; or (2) a period of three years after the conclusion of any litigation in the United States courts regarding such entries.

For all shipments and/or entries for which certifications are required, importers should complete the required certification at or prior to the date of Entry Summary.

Appendix V

Importer Certification: Brazil

I hereby certify that:

(A) My name is {IMPORTING COMPANY OFFICIAL'S NAME} and I am an official of {NAME OF IMPORTING COMPANY}, located at {ADDRESS OF IMPORTING COMPANY}.

(B) I have direct personal knowledge of the facts regarding the importation into the

Customs territory of the United States of subject-paper rolls produced in Brazil that entered under entry summary number(s), identified below, and which are covered by this certification. Subject-paper rolls are defined as certain uncoated paper rolls commonly, but not exclusively, known as "sheeter rolls," (rolls with paper that weigh at least 40 grams per square meter but not more than 150 grams per square meter; and paper that either is a white paper with a GE brightness level of 83 +/- 1% or higher or is a colored paper) that may be converted into subject merchandise. The uncoated paper rolls are typically, but not exclusively, between 52 and 103 inches wide and 50 inches in diameter. Subject-paper rolls are classified under HTSUS category 4802.55. "Direct personal knowledge" refers to facts the certifying party is expected to have in its own records. For example, the importer should have direct personal knowledge of the importation of the product (*e.g.*, the name of the exporter) in its records.

(C) If the importer is acting on behalf of the first U.S. customer, complete this paragraph, if not put "NA" at the end of this paragraph: The imported subject-paper rolls covered by this certification were imported by {NAME OF IMPORTING COMPANY} on behalf of {NAME OF U.S. CUSTOMER}, located at {ADDRESS OF U.S. CUSTOMER}.

(D) The imported subject-paper rolls covered by this certification were shipped to {NAME OF PARTY TO WHOM MERCHANDISE WAS FIRST SHIPPED IN THE UNITED STATES}, located at {ADDRESS OF SHIPMENT}.

(E) Select appropriate statement below:

I have direct personal knowledge of the facts regarding the end-use of the imported product because my company is the end-user of the imported product covered by this certification and I certify that the imported subject-paper rolls will not be used to produce subject merchandise. "Direct personal knowledge" includes information contained within my company's books and records.

I have personal knowledge of the facts regarding the end-use of the imported product because my company is not the end-user of the imported product covered by this certification. However, I have been able to contact the end-user of the imported product and confirm that it will not use this product to produce subject merchandise. The end-user of the imported product is {COMPANY NAME} located at {ADDRESS}. "Personal knowledge" includes facts obtained from another party (*e.g.*, correspondence received by the importer from the end-user of the product).

(F) The imported subject-paper rolls covered by this certification will not be further processed into uncoated paper sheets in the United States.

(G) This certification applies to the following entries (repeat this block as many times as necessary):

(H) I understand that {NAME OF IMPORTING COMPANY} is required to maintain a copy of this certification and sufficient documentation supporting this certification (*i.e.*, documents maintained in the normal course of business, or documents obtained by the certifying party, for example, mill certificates, production records, invoices, *etc.*) for the later of: (1) A period of five years from the date of entry; or (2) a period of three years after the conclusion of any litigation in the United States courts regarding such entries.

(I) I understand that {NAME OF IMPORTING COMPANY} is required to provide this certification and supporting records to U.S. Customs and Border Protection (CBP) and/or the Department of Commerce (Commerce), upon request by the respective agency.

(J) I understand that the claims made herein, and the substantiating documentation, are subject to verification by CBP and/or Commerce.

(K) I understand that failure to maintain the required certifications, and/or failure to substantiate the claims made herein, and/or failure to allow CBP and/or Commerce to verify the claims made herein, may result in a *de facto* determination that all entries to which this certification applies are within the scope of the antidumping duty order on certain uncoated paper from Brazil. I understand that such finding will result in:

(i) Suspension of liquidation of all unliquidated entries (and entries for which liquidation has not become final) for which these requirements were not met;

(ii) the requirement that the importer post applicable antidumping duty cash deposits (as appropriate) equal to the rates determined by Commerce; and

(iii) the revocation of {NAME OF IMPORTING COMPANY}'s privilege to certify future imports of subject-paper rolls from Brazil as not being imported for purposes of further processing into the United States into uncoated paper sheets.

(L) I understand that agents of the importer, such as brokers, are not permitted to make this certification. Where a broker or other party was used to facilitate the entry process, {NAME OF IMPORTING COMPANY} obtained the entry summary number and date of entry summary from that party.

Certification Requirements: China

If an importer imports subject-paper rolls from China and claims that the subject-paper

rolls will not be further processed into uncoated paper sheets covered by the *Orders*, the importer is required to complete and maintain the importer certification attached hereto at Appendix VII and all supporting documentation. Where the importer uses a broker to facilitate the entry process, it should obtain the entry summary number from the broker. Agents of the importer, such as brokers, however, are not permitted to make this certification on behalf of the importer.

All importers of subject-paper rolls from China are eligible for the certification process detailed below. However, entries of subject-paper rolls produced and/or exported by Central National Asia Limited (CNAL), Kingdecor (Zhejiang) Co., Ltd. (Kingdecor), Shandong Sun Paper Industry Joint Stock Co Ltd (Shandong Sun Paper), Sun Paper (Hong Kong) Co., Limited (Sun Paper HK), and Sunpack Paper Products Company (Sunpack), are ineligible for certification.

For entries of subject-paper rolls from China entered, or withdrawn from warehouse, for consumption on or after the date this final determination was signed for which the importer claims that the rolls will not be further processed into uncoated paper subject to the *Orders*, the importer is required to meet the certification and documentation requirements detailed in the certifications in order for no suspension of liquidation and no cash deposit to be required for such entries. The uncoated paper rolls are typically, but not exclusively, between 52 and 103 inches wide and 50 inches in diameter. Subject-paper rolls are classified under HTSUS category 4802.55. "Direct personal knowledge" refers to facts the certifying party is expected to have in its own records. For example, the importer should have direct personal knowledge of the importation of the product (*e.g.*, the name of the exporter) in its records.

(C) If the importer is acting on behalf of the first U.S. customer, complete this paragraph, if not put "NA" at the end of this paragraph: The imported subject-paper rolls covered by this certification were imported by {NAME OF IMPORTING COMPANY} on behalf of {NAME OF U.S. CUSTOMER}, located at {ADDRESS OF U.S. CUSTOMER}.

(D) The imported subject-paper rolls covered by this certification were shipped to {NAME OF PARTY TO WHOM MERCHANDISE WAS FIRST SHIPPED IN THE UNITED STATES}, located at {ADDRESS OF SHIPMENT}.

"Direct personal knowledge" includes information contained within my company's books and records.

____ I have personal knowledge of the facts regarding the end-use of the imported product because my company is not the end-user of the imported product covered by this certification. The end-user of the imported product is {COMPANY NAME}. "Personal knowledge" includes facts obtained from another party (*e.g.*, correspondence received by the importer from the end-user of the product).

Polyester Textured Yarn From Indonesia, Malaysia, Thailand, and the Socialist Republic of Vietnam: Antidumping Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Based on affirmative final determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC), Commerce is issuing the antidumping duty orders on polyester textured yarn from Indonesia, Malaysia, Thailand, and the Socialist Republic of Vietnam (Vietnam).

DATES: Applicable December 14, 2021.

FOR FURTHER INFORMATION CONTACT: Peter Shaw at (202) 482-0697 or Toni Page at (202) 482-1398 (Indonesia); Daniel Alexander at (202) 482-4313 (Malaysia); Stephanie Berger at (202) 482-2483 (Thailand); and Preston Cox at (202) 482-5041 (Vietnam); AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

In accordance with sections 735(d) and 777(i)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.210(c), on October 25, 2021, Commerce published its affirmative final determinations in the less-than-fair-value (LTFV) investigations of imports of polyester textured yarn from Indonesia, Malaysia, Thailand, and Vietnam.¹ On December 7, 2021, the ITC notified Commerce of its affirmative final determinations, pursuant to section 735(d) of the Act, that an industry in the United States is materially injured within the meaning of section 735(b)(1)(A)(i) of the Act by reason of the LTFV imports of polyester

textured yarn from Indonesia, Malaysia, Thailand, and Vietnam.²

Scope of the Orders

The product covered by these orders is polyester textured yarn from Indonesia, Malaysia, Thailand, and Vietnam. For a complete description of the scope of these orders, see the appendix to this notice.

Antidumping Duty Orders

On December 7, 2021, in accordance with section 735(d) of the Act, the ITC notified Commerce of its final determinations in these investigations, in which it found that an industry in the United States is materially injured by reason of LTFV imports of polyester textured yarn from Indonesia, Malaysia, Thailand, and Vietnam.³ Therefore, in accordance with sections 735(c)(2) and 736 of the Act, Commerce is issuing these antidumping duty orders.

Because the ITC determined that imports of polyester textured yarn from Indonesia, Malaysia, Thailand, and Vietnam are materially injuring a U.S. industry, unliquidated entries of subject merchandise from Indonesia, Malaysia, Thailand, and Vietnam, entered into the United States or withdrawn from warehouse for consumption, are subject to the assessment of antidumping duties. Therefore, in accordance with section 736(a)(1) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instructions by Commerce, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price (or constructed export price) of the subject merchandise, for all relevant entries of polyester textured yarn from Indonesia, Malaysia, Thailand, and Vietnam. Antidumping duties will be assessed on unliquidated entries of polyester textured yarn from Indonesia, Malaysia, Thailand, or Vietnam entered, or withdrawn from warehouse, for consumption on or after June 3, 2021, the date of publication of the *Preliminary Determinations*,⁴ but will
