SUPPLEMENTARY INFORMATION:

Background

On October 9, 2020, Commerce published its *Final Results* in the 2017 CVD administrative review of HRS from Korea. In the *Final Results*, Commerce, after examining the information on the record, found that Hyundai Steel received additional benefits from certain other fees under the Port of Incheon program (*i.e.*, harbor exclusive usage fee(s)) that are measurable.¹ We found that, because necessary information was not available on the record with respect to these fees, it was appropriate to calculate the benefit from them based on facts available, pursuant to section 776(a)(1) of the Tariff Act of 1930, as amended (the Act). Commerce computed a 0.06 percent *ad valorem* subsidy rate for the provision of port usage rights at the Port of Incheon program.

Hyundai Steel appealed Commerce's *Final Results*. On August 27, 2021, the CIT remanded the *Final Results* to Commerce to reconsider our application of facts available and, if appropriate, the rate assigned to Hyundai Steel.²

In its final remand redetermination, issued in October 2021, Commerce recalculated the benefit amount Hyundai Steel received under the provision of port usage rights at the Port of Incheon program. As a result of our redetermination, we find that Hyundai Steel's overall subsidy rate for the POR is *de minimis*.³ The CIT sustained Commerce's final redetermination.⁴

Timken Notice

In its decision in *Timken*,⁵ as clarified by *Diamond Sawblades*,⁶ the U.S. Court

of Appeals for the Federal Circuit held that, pursuant to section 516A(c) and (e) of the Act, Commerce must publish a notice of court decision that is not "in harmony" with a Commerce determination and must suspend liquidation of entries pending a "conclusive" court decision. The CIT's September 19, 2022, judgment constitutes a final decision of the CIT that is not in harmony with Commerce's *Final Results*. Thus, this notice is published in fulfillment of the publication requirements of *Timken*.

Amended Final Results

Because there is now a final court judgment, Commerce is amending its *Final Results* with respect to Hyundai Steel as follows:

Company	Subsidy rate (percent <i>ad valorem</i>)
Hyundai Steel Company ⁷	0.46 *

* (*de minimis*)

Cash Deposit Requirements

Because Hyundai Steel has a superseding cash deposit rate, *i.e.*, there have been final results published in a subsequent administrative review, we will not issue revised cash deposit instructions to U.S. Customs and Border Protection (CBP). This notice will not affect the current cash deposit rate.

Liquidation of Suspended Entries

At this time, Commerce remains enjoined by CIT order from liquidating entries of HRS from Korea that were produced and/or exported by Hyundai Steel Co., Ltd., (a/k/a Hyundai Steel Company), that were the subject of Commerce's *Final Results* that were entered, or withdrawn from warehouse, for consumption, during the period January 1, 2017, through December 31, 2017. These entries will remain enjoined pursuant to the terms of the injunction during the pendency of any appeals process.

In the event the CIT's ruling is not appealed, or, if appealed, upheld by a final and conclusive court decision, Commerce intends to instruct CBP to assess CVDs on unliquidated entries of subject merchandise produced and/or exported by Hyundai Steel in accordance with 19 CFR 351.212(b). We will instruct CBP to assess CVDs on all appropriate entries covered by this review when the *ad valorem* rate is not zero or *de minimis*. Where an *ad valorem* subsidy rate is zero or *de*

minimis,⁸ we will instruct CBP to liquidate the appropriate entries without regard to CVDs.

Notification to Interested Parties

This notice is issued and published in accordance with sections 516A(c) and (e) and 777(i)(1) of the Act.

Dated: September 27, 2022.

Abdelali Elouaradia,

Deputy Assistant Secretary for Enforcement and Compliance.

Filing Information

As a courtesy, we are making information related to sunset proceedings, including copies of the pertinent statute and Commerce's regulations, Commerce's schedule for Sunset Reviews, a listing of past revocations and continuations, and current service lists, available to the public on Commerce's website at the following address: <https://enforcement.trade.gov/sunset/>. All submissions in these Sunset Reviews must be filed in accordance with Commerce's regulations regarding format, translation, and service of documents. These rules, including electronic filing requirements via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS), can be found at 19 CFR 351.303.

In accordance with section 782(b) of the Act, any party submitting factual information in an AD/CVD proceeding must certify to the accuracy and completeness of that information. Parties must use the certification formats provided in 19 CFR 351.303(g). Commerce intends to reject factual submissions if the submitting party does not comply with applicable revised certification requirements.

Letters of Appearance and Administrative Protective Orders

Pursuant to 19 CFR 351.103(d), Commerce will maintain and make available a public service list for these proceedings. Parties wishing to participate in any of these five-year reviews must file letters of appearance as discussed at 19 CFR 351.103(d). To facilitate the timely preparation of the public service list, it is requested that those seeking recognition as interested parties to a proceeding submit an entry of appearance within 10 days of the publication of the Notice of Initiation. Because deadlines in Sunset Reviews can be very short, we urge interested

parties who want access to proprietary information under administrative protective order (APO) to file an APO application immediately following publication in the **Federal Register** of this notice of initiation. Commerce's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹

The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with Commerce's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, Commerce will automatically revoke the order without further review.²

If we receive an order-specific notice of intent to participate from a domestic interested party, Commerce's regulations provide that *all parties* wishing to participate in a Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation.
