Title: NOAA Teacher at Sea Program Application.

OMB Control Number: 0648–0283.

Form Number(s): None.

Type of Request: Regular submission (extension of a currently approved collection).

Number of Respondents: 375.

Average Hours per Response:

Application: 1 hr. 15 min;

Recommendations: 15 minutes; NOAA Health Services Questionnaire and Tuberculosis Screening Document: 45 minutes; Follow-up Report: 2 hours.

Total Annual Burden Hours: 781.

Needs and Uses: This request is for extension of a currently approved information collection.

NOAA provides educators an opportunity to gain first-hand experience with field research activities through the Teacher at Sea Program. Through this program, educators spend up to 3 weeks at sea on a NOAA research vessel, participating in an ongoing research project with NOAA scientists. The application solicits information from interested educators including: basic personal information, teaching experience, and ideas for applying program experience in their classrooms, plus two recommendations and a NOAA Health Services Questionnaire required of anyone selected to participate in the program.

Once educators are selected and participate on a cruise, they write a report detailing the events of the cruise and ideas for classroom activities based on what they learned while at sea. These materials are then made available to other educators so they may benefit from the experience, without actually going to sea by themselves. This collection supports NOAA's mission by providing educators an opportunity to gain first-hand experience with field research activities through the Teacher at Sea Program.

NOAA does not collect information from this universe of respondents for

any other purpose than to determine which educators will participate in the NOAA Teacher at Sea Program.

Affected Public: Individuals—Educators.

Frequency: Once a year.

Respondent's Obligation: Voluntary.

Legal Authority: National Marine Sanctuaries Act.

SUPPLEMENTARY INFORMATION: This meeting is being held under the

provisions of chapter 10 of title 5, United States Code (U.S.C.) (commonly known as the "Federal Advisory Committee Act" or "FACA"), 5 U.S.C. 552b (commonly known as the "Government in the Sunshine Act"), and sections 102-3.140 and 102-3.150 of title 41, Code of Federal Regulations (CFR).

Due to circumstances beyond the control of the Designated Federal Officer, the Defense Policy Board was unable to provide public notification required by 41 CFR 102-3.150(a) concerning its March 7-8, 2023 meeting. Accordingly, the Advisory Committee Management Officer for the Department of Defense, pursuant to 41 CFR 102-3.150(b), waives the 15-calendar day notification requirement.

Purpose of the Meeting: To obtain, review, and evaluate classified information related to the DPB's mission to advise on (a) issues central to strategic DoD planning; (b) policy implications of U.S. force structure and modernization on DoD's ability to execute U.S. defense strategy; (c) U.S. regional defense policies; and (d) other defense policy topics of special interest to the DoD, as determined by the Secretary of Defense, the Deputy Secretary of Defense, or the Under Secretary of Defense for Policy.

Agenda: On March 7, 2023, and March 8, 2023, the DPB will receive classified briefings and hold classified discussions on how well DoD information operations are understood, leveraged, integrated, and synchronized into broader interagency and national level influence activities and strategic communications. Maier, Assistant Secretary of Defense for Special Operations and Low-Intensity Conflict; (2) how DoD information operations are integrated operationally with programs conducted by other U.S. departments and agencies from RDML Ronald A. Meeting Accessibility: In accordance with 5 U.S.C. 1009(d) and 41 CFR 102-3.155, the DoD has determined that this meeting shall be closed to the public. The Under Secretary of Defense (Policy), in consultation with the DoD FACA Attorney, has determined in writing that this meeting be closed to the public because the discussions fall under the purview of 5 U.S.C. 552b(c)(1) and are so inextricably intertwined with unclassified material that they cannot reasonably be segregated into separate discussions without disclosing classified material.

Written Statements: In accordance with 5 U.S.C. 1009(a)(3) and 41 CFR 102-3.105(j) and 102-3.140(c), the public or interested organizations may submit written statements to the membership of the DPB at any time regarding its mission or in response to the stated agenda of a planned meeting. However, if individual comments pertain to a specific topic being discussed at a planned meeting, then these statements must be submitted no later than five business days prior to the meeting in question. The DFO will review all submitted written statements and provide copies to all members.
