Abstract: Under the Individuals with Disabilities Education Act discretionary grants are authorized to support technology, State personnel development, personnel preparation, parent training, and information and technical assistance activities. This grant application provides the forms and information necessary for applicants to submit an application for funding, and information for use by technical reviewers to determine the quality of application. Note the following changes: (1) Discretionary grants in the area of research have been excluded from this collection since special education research grants are now under the authority of IES. (2) State Personnel Development Grants (previously know as the State Improvement Grants under the 1820-0620 collection) have been added to this Part D umbrella collection. The 1820-0620 collection included a Q & A that is no longer relevant to the program and has not been used for several years. Other than the Q & A, there is no difference in the 1820-0620 collection and the 1820-0028 Part D umbrella collection. (3) Page B-8 of application package, paragraph 3, includes a detailed description of the abstract that applicants should include in the application.

This information collection is being submitted under the Streamlined Clearance Process for Discretionary Grant Information Collections (1890-0001). Therefore, the 30-day public comment period notice will be the only public comment notice published for this information collection.

ACTION: Notice of request for member nominations for the Hydrogen Technical and Fuel Cell Advisory Committee.

SUMMARY: The Hydrogen Technical and Fuel Cell Advisory Committee (HTAC or Committee) was established by section 807 of Title VIII, Hydrogen (“Spark M. Matsunaga Act of 2005”), of the 2005 Energy Policy Act (Pub. L. 109–58). In order to ensure a wide range of candidates for HTAC and a balanced committee, DOE is using this public announcement as an avenue to solicit nominations for this Committee.

DATES: Nominations should be submitted by January 23, 2006.

ADDRESSES: Nominations should be submitted in electronic format. Nominations should be sent via e-mail to htac.nominees@ee.doe.gov. Any requests for further information should also be sent via e-mail to htac.nominees@ee.doe.gov.

SUPPLEMENTARY INFORMATION:

The Committee will provide advice and recommendations to the Secretary of Energy (Secretary) on the program authorized by the Spark M. Matsunaga Hydrogen Act of 2005 (“the Act”). This Committee supersedes the Hydrogen Technical Advisory Panel established by the Spark M. DOE is hereby soliciting nominations for members of the Committee. The Committee is expected to be continuing in nature. The Secretary of Energy will appoint 12 to 25 Committee members.
