Funding Opportunity Description

The Medicare Improvement for Patients and Providers Act (MIPPA) program supports states through grants to provide outreach and assistance to Medicare beneficiaries with limited incomes and assets to ensure the beneficiaries have access to all Medicare related benefits available to them. MIPPA state grantees help educate Medicare beneficiaries about benefit programs that help them pay for Medicare including the Low-Income Subsidy (LIS) program for Medicare Part D and the Medicare Savings Programs (MSPs). In addition, MIPPA grantees provide education on Medicare Preventive Services. MIPPA grantees provide education through public outreach while also providing one-on-one assistance to eligible Medicare beneficiaries to help them access and apply for benefit programs that help lower the costs of their Medicare premiums and deductibles.

MIPPA state funding is limited to agencies eligible for MIPPA funding:

- Priority Area 1—State Health Insurance Assistance Program (SHIP): State agencies (State Units on Aging or State Departments of Insurance) that administer the SHIP
- Priority Area 2—Area Agencies on Aging (AAAs): State agencies for AAAs
- Priority Area 3—Aging and Disability Resource Center Programs (ADRC): Agencies that are established ADRCs who have received an ACL ADRC COVID grant

ACL will accept only one application for each Priority Area per state. If an agency is eligible for more than one MIPPA Priority Area, the agency may combine their responses into one comprehensive narrative which can be submitted to each Priority Area application. However, unique budget documents and full application packages for each Priority Area must still be completed and submitted for each application.

These funds will allow agencies to provide enhanced outreach to eligible Medicare beneficiaries regarding their preventive, wellness, and limited income benefits; application assistance to individuals who may be eligible for LIS or MSPs; and outreach activities covering LIS, MSP, or aimed at preventing disease and promoting wellness. Applicant plans should go above and beyond those regular activities planned in response to other funding sources.

II. Award Information**1. Funding Instrument Type**

These awards will be made in the form of grants to agencies for each MIPPA Priority Area:

Priority Area 1—SHIP: Grants to state agencies (State Units on Aging or State Departments of Insurance) that administer the SHIP to provide enhanced outreach to eligible Medicare beneficiaries regarding their preventive, wellness, and limited income benefits; application assistance to individuals who may be eligible for LIS or MSPs; and outreach activities aimed at preventing disease and promoting wellness.

Priority Area 2—AAA: Grants to state agencies for AAA programs to provide enhanced outreach to eligible Medicare beneficiaries regarding their preventive, wellness, and limited income benefits; application assistance to individuals who may be eligible for LIS or MSPs; and outreach activities aimed at preventing disease and promoting wellness.

Priority Area 3—ADRC: Aging and Disability Resource Center Programs (ADRC): Grants to agencies that are established ADRCs to provide outreach regarding Medicare Part D benefits related to LIS and MSPs, and conduct outreach activities aimed at preventing disease and promoting wellness.

2. Anticipated Total Priority Area Funding per Budget Period

ACL intends to make available, under this program announcement, grant awards for the three MIPPA priority areas. Funding will be distributed through a formula as identified in statute. ACL will fund total project periods of up to one (1) year contingent upon availability of federal funds.
