#### SUPPLEMENTARY INFORMATION:

We are soliciting public comments to permit the Department to:

- Evaluate whether the proposed information collection is necessary for the proper performance of our functions.
- Evaluate the accuracy of our estimate of the burden of the proposed collection, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of technology.

#### Abstract of Proposed Collection

The State Department has made the awarding of grants a key component of its Iran policy. As a condition of licensing these activities, the Office of Foreign Assets Control (OFAC) mandate that the Department conduct a vetting of potential Iran programs grantees and sub-grantees for counter-terrorism purposes. To conduct this vetting the Department envisions collecting information from grantees and sub-grantees regarding the identity and background of their key employees, board of directors, and program participants.

## Methodology

We will collect this information either through fax or electronic submission.

Dated: May 3, 2010.

## DEPARTMENT OF STATE

[Public Notice 6984]

### Request for Nominations of Experts for Consideration as Authors and/or Editors for the Fifth Global Environment Outlook (GEO-5)

**ACTION:** This is an announcement of an opportunity to recommend experts to the U.S. Government for nomination as Coordinating Lead Authors, Lead Authors, Contributing Authors and Review Editors for the Fifth Global Environment Outlook (GEO-5).

**SUMMARY:** Governments, along with other stakeholder groups, relevant institutions, and United Nations agencies, have been invited to nominate experts to participate in the GEO-5 assessment. The Department of State is coordinating the recommendation of experts to the United Nations Environment Programme (UNEP) for GEO-5. The purpose of GEO-5 is to provide a comprehensive, integrated, and scientifically credible global environmental assessment to support decision-making processes at appropriate levels. Individuals may seek to nominate others (or themselves) directly on <http://www.unep.org/geo/nominations/>, or through the U.S. government. For those who wish to submit their nominations through the U.S. government, your nomination must be submitted to UNEP at the Web site above, and the nomination must also be received at the U.S. Department of State, Office of Environmental Policy, which is coordinating the U.S. Government nomination process, no later than May 12, 2010. The remainder of this announcement provides background information and describes how to submit recommendations.

The Global Environment Outlook is the primary assessment process of the UN Environment Programme (UNEP), which helps keep the global environment under review. It is a tool that informs decision-making, focusing on assessment priorities and analyzing policy challenges and opportunities to provide policy response options. It is
