

components to refurbish and upgrade, replace the existing generators, replace control panels and instrumentation in the control room, balance plant electrical and mechanical systems, upgrade the cooling system, and replace the spillway gates and trash racks. The project is located in the Savannah River basin on the Tallulah, Chattooga, and Tugalo rivers, in Rabun, Habersham, and Stephens counties, Georgia, and Oconee County, South Carolina. The project does not occupy federal lands.

The EA contains Commission staff's analysis of the potential environmental effects of the proposed amendment and concludes that, it would not constitute a major federal action that would significantly affect the quality of the human environment.
