The Exchange submits that the proposed license fee will provide additional revenue and recoup its costs associated with the trading of Cohen & Steers Fund options. In addition, the Amex believes that this fee will help to allocate to those specialists and ROTs transacting in Cohen & Steers Fund options a fair share of the related costs of offering such options. Accordingly, the Exchange believes that the proposed fee is reasonable.

(2) Statutory Basis

The Exchange believes the proposed rule change is consistent with section 6(b)⁵ of the Act in general and furthers the objectives of section 6(b)(4)⁶ in particular, in that it provides for the equitable allocation of reasonable dues, fees, and other charges among its members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.
