Some of this information is collected on forms that are being revised or newly instituted. Currently approved forms have been updated to simplify language and update regulatory citations. New forms have been put in place to implement existing regulatory requirements. No third party notification or public disclosure burden is associated with this collection. Adjustments were made to the approved burden hours for this information collection to better account for the process of obtaining a grazing permit and to account for previously unidentified information collection requirements contained in existing regulatory requirements.

SUPPLEMENTARY INFORMATION:

I. Abstract

The IEED is seeking revision and renewal of the approval for the information collection conducted under 25 CFR 103, implementing the Loan Guarantee, Insurance, and Interest Subsidy Program, established by 25 U.S.C 1451 *et seq.* The information collection allows IEED to determine the eligibility and credit-worthiness of respondents and loans and otherwise ensure compliance with Program requirements. This information collection includes the use of several forms. The forms have been revised to reflect the current organization of the program office as being within the Office of the Assistant Secretary—Indian Affairs, rather than within the Bureau of Indian Affairs, and to change the form numbers. The following chart shows the new form numbers.

Previous Form No.	New Form No.	Form name
5-4753	LGA10	Loan Guarantee Agreement.
5-4754	LIA10	Loan Insurance Agreement.
5-4754a	NIL10	Notice of Insured Loan.
5-4755	RLG10	Request to the Department of the Interior for Loan Guarantee, Loan Insurance, or Interest Subsidy.
5-4749	ISR10	Indian Affairs Interest Subsidy Report.
5-4759	ALD10	Assignment of Loan Documents and Related Rights.
5-4760a	NOD10	Notice of Default.
5-4760b	CFL10	Claim for Loss.

Material changes were made to the Loan Guarantee Agreement form, LGA10, to reflect the program change increasing the threshold amounts from \$1,000,000 to \$2,000,000 in average outstanding balance and minimum outstanding balance to obtain "preferred lender" and "performance lender" designations. The Department also updated both its Loan Guarantee Agreement form and Loan Insurance Agreement form to increase the timeframe in which closing must occur following issuance of a loan guarantee certificate from 60 to 90 days and to add provisions that will allow the Department to publicize successful financing projects.

The Department has also adjusted its burden hour estimates based on past experience with the program, refining the number of applications it expects to receive and the time it takes to complete them.

II. Request for Comments

The Department requests that you send your comments on this collection to the location listed in the **ADDRESSES** section. Your comments should address:

- (a) The necessity of the information collection for the proper performance of the agencies, including whether the information will have practical utility;
- (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used;
- (c) ways we could enhance the quality, utility and clarity of the information to be collected; and
- (d) ways we could minimize the burden of the collection of the information on the respondents, such as through the use of automated collection techniques or other forms of information technology.

Please note that an agency may not sponsor or conduct, and an individual need not respond to, a collection of information unless it has a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the Office of Indian Energy and Economic Development, U.S. Department of the Interior, 1951 Constitution Ave., NW.,

Mail Stop 20-SIB, Washington, DC 20245 during the hours of 9 a.m.–5 p.m., Eastern Time, Monday through Friday except for legal holidays. While you may request that we withhold your personally identifiable information, we cannot guarantee that we will be able to do so.

The OMB has up to 60 days to make a decision on the submission for renewal, but may make the decision after 30 days. Therefore, to receive the best consideration of your comments, you should submit them closer to 30 days than 60 days.
