SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Title: Social and Character Development Research Program National Evaluation.

Frequency: On Occasion.

Affected Public: Not-for-profit institutions; Individuals or household. *Reporting and Recordkeeping Hour Burden:*

Responses: 22,587.

Burden Hours: 15,632.

Abstract: The SACD National Evaluation will evaluate seven school-based interventions designed to promote positive social and character development among elementary school children and determine, through randomized field trials, whether the interventions produce meaningful effects. The primary research questions are: (1) Do the SACD interventions affect social-emotional competence, school climate, positive and negative behavior, and academic achievement? (2) For whom, and under what conditions, are the interventions effective? and (3) What is the process by which the interventions affect children's behavior? Data collection activities will include the administration of surveys to children, teachers, principals, and primary caregivers; school observations, and school record abstractions over a three year period: from 2004-05 to 2006-07. Results from the evaluation will provide education professionals with information they need to make informed choices about which intervention to adopt.
