

## NATIONAL COUNCIL ON THE HUMANITIES

### Meeting

October 30, 2001.

Pursuant to the provisions of the Federal Advisory Committee Act (Pub. L. 92-463, as amended), notice is hereby given the National Council on the Humanities will meet in Washington, DC on November 15-16, 2001.

The purpose of the meeting is to advise the Chairman of the National Endowment for the Humanities with respect to policies, programs, and procedures for carrying out his functions, and to review applications for financial support from and gifts offered to the Endowment and to make recommendations thereon to the Chairman.

The meeting will be held in the Old Post Office Building, 1100 Pennsylvania Avenue, NW., Washington, DC. A portion of the morning and afternoon sessions on November 15-16, 2001, will not be open to the public pursuant to subsections (c)(4), (c)(6) and (c)(9)(B) of section 552b of title 5, United States Code because the Council will consider information that may disclose: trade secrets and commercial or financial information obtained from a person and privileged or confidential; information of a personal nature the disclosure of which would constitute a clearly unwarranted invasion of personal privacy; and information the premature disclosure of which would be likely to significantly frustrate implementation of proposed agency action. I have made this determination under the authority granted me by the Chairman's Delegation of Authority dated July 19, 1993.

The agenda for the session on November 15, 2001 will be as follows:

**SUPPLEMENTARY INFORMATION:** *Title of Collection:* Application for NATO Advanced Study Institutes Travel Award and NATO Advanced Study Institutes Travel Award Report Form.  
*OMB Approval Number:* 3145-0001.  
*Expiration Date of Approval:* Not applicable.

*Type of Request:* Intent to seek approval to reinstate an information collection for three years.

*Abstract:* The North Atlantic Treaty Organization (NATO) initiated its Advanced Study Institutes Program in 1958 modeled after a small number of very successful summer science "courses" that were held in Europe and that sought to rebuild Europe's science strength following World War II. The goal was to bring together both students and researchers from the leading centers of research in highly targeted fields of science and engineering to promote the "American" approach to advanced learning, spirited give-and-take between students and teachers, that was clearly driving the rapid growth of U.S. research strength. Today the goal remains the same; but due to the expansion of NATO, each year an increasing number of ASIs are held in NATO Partner Countries along with those held in the original NATO Member Countries. In the spirit of cooperation with this important activity, the Foundation inaugurated in 1959 a small program of travel grants for advanced graduate students and young postdoctorals to assist with the major
