### Federal Railroad Administration

[Docket Number FRA-2011-0055]

#### Notification of Petition for Approval; Product Safety Plan

In accordance with Part 211 of Title 49 Code of Federal Regulations (CFR), this document provides the public notice that by a document dated May 23, 2011, the Marquette Rail, LLC (Marquette) has petitioned the Federal Railroad Administration (FRA) approval of a Product Safety Plan (PSP) submitted pursuant to 49 CFR part 236, subpart H. FRA assigned the petition Docket Number FRA-2011-0055.

Marquette submitted a petition for approval of a PSP for the Railsoft TrackAccess System. The TrackAccess System is a processor-based dispatch system developed to be operated in the autonomous mode (without dispatcher intervention) for low density lines. The system provides a processor-based methodology of requesting and issuing track authority to either qualified train crewmembers or roadway workers, and to do so while significantly improving safety of train operations, roadway workers, and other railway equipment, while also increasing railroad productivity. Marquette asserts the PSP demonstrates that the TrackAccess System has been designed in a highly safe manner, and has been sufficiently tested to verify that fact. The PSP provides descriptions of the TrackAccess System itself.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at <http://www.regulations.gov> and in person at the Department of Transportation's Docket Operations Facility, 1200 New Jersey Ave., SE., W12-140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they

should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted by any of the following methods:

- *Web site:* <http://www.regulations.gov>. Follow the online instructions for submitting comments.
- *Fax:* 202-493-2251.
- *Mail:* Docket Operations Facility, U.S. Department of Transportation, 1200 New Jersey Avenue, SE., W12-140, Washington, DC 20590.
- *Hand Delivery:* 1200 New Jersey Avenue, SE., Room W12-140, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

Communications received by September 8, 2011 will be considered by FRA before final action is taken. Comments received after that date will be considered as far as practicable.

Anyone is able to search the electronic form of any written communications and comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). ### Surface Transportation Board

[Docket No. AB 1073X]

#### Alabama & Florida Railway Co., Inc.—Abandonment Exemption—in Geneva, Coffee, and Covington Counties, Ala.

Alabama & Florida Railway Co., Inc. (A&F) has filed a verified notice of exemption under 49 CFR pt. 1152 subpart F—*Exempt Abandonments* to abandon its line of railroad between milepost 581.3 at Andalusia, Ala., and milepost 624.2 at Geneva, Ala., a distance of 42.9 miles, in Geneva, Coffee and Covington Counties, Ala. The line constitutes A&F's entire rail system and

traverses United States Postal Service Zip Codes 36340, 36420, 36421, 36453, 36467, and 36477.

A&F has certified that: (1) No local traffic has moved over the line for at least 2 years;<sup>1</sup> (2) there is no overhead traffic on the line that has been, or would need to be, rerouted as a result of the proposed abandonment; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7(c) (environmental report), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

Where, as here, the carrier is abandoning a line that constitutes its entire rail system, the Board does not normally impose labor protection under 49 U.S.C. 10502(g), unless the evidence indicates the existence of: (1) A corporate affiliate that will continue substantially similar rail operations; or (2) a corporate parent that will realize substantial financial benefits over and above relief from the burden of deficit operations by its subsidiary railroad. *See Honey Creek R.R.—Aban. Exemption—in Henry Cnty., Ind.*, AB 865X (STB served Aug. 20, 2004); *Wellsville, Addison & Galetton R.R.—Aban. of Entire Line in Potter & Tioga Cntys., Pa.*, 354 I.C.C. 744 (1978); and *Northampton & Bath R.R.—Aban. Near Northampton & Bath Junction in Northampton Cnty, Pa.*, 354 I.C.C. 784 (1978). Because A&F does not appear to have a corporate affiliate or parent that will continue similar operations or that could benefit from the proposed abandonment, employee protection conditions will not be imposed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on September 8, 2011, unless stayed pending reconsideration. Petitions to stay that do not involve environmental

<sup>1</sup> A&F states that during the past 2 years, there has been no local common carrier service provided over the line nor have there been any requests for common carrier service during that period, but portions of the line have been used for purposes of freight car storage. A&F asserts that movement of its empty rail cars for storage does not disqualify A&F from the use of the notice of exemption process to obtain abandonment authority for the line. *See Ind. Sw. Ry.—Aban. Exemption—in Posey and Vanderburgh Cntys., Ind.*, AB 1065X, slip op. at 1 n. 1 (STB served Dec. 23, 2010).

issues,<sup>2</sup> formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),<sup>3</sup> and trail use/rail banking requests under 49 CFR 1152.29 must be filed by August 19, 2011. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by August 29, 2011,<sup>4</sup> with the Surface Transportation Board, 395 E Street, SW., Washington, DC 20423–0001.

A copy of any petition filed with the Board should be sent to A&F's representatives: William A. Mullins and Robert A. Wimbish, Baker & Miller PLLC, 2401 Pennsylvania Avenue, NW., Suite 300, Washington, DC 20037.

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

A&F has filed a combined environmental and historic report that addresses the effects, if any, of the abandonment on the environment and historic resources. OEA will issue an environmental assessment (EA) by August 12, 2011. Interested persons may obtain a copy of the EA by writing to OEA (Room 1100, Surface Transportation Board, Washington, DC 20423–0001) or by calling OEA, at (202) 245–0305. Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1–800–877–8339. Comments on environmental and historic preservation matters must be filed

within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), A&F shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by A&F's filing of a notice of consummation by August 9, 2012, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our Web site at <http://www.stb.dot.gov>.

Decided: August 4, 2011.

By the Board, Rachel D. Campbell, Director, Office of Proceedings.

Jeffrey Herzig,  
Clearance Clerk.

**FOR FURTHER INFORMATION CONTACT:** You can request additional information from Ira Mills or Mary H. Gottlieb, OCC Clearance Officers, (202) 874–5090, Legislative and Regulatory Activities Division, Office of the Comptroller of the Currency, 250 E Street, SW., Washington, DC 20219.

**SUPPLEMENTARY INFORMATION:** The OCC is proposing to revise the following information collection:

*Title:* Fair Housing Home Loan Data System Regulation.

*OMB Control No.:* 1557–0159.

*Description:* The Fair Housing Act (42 U.S.C. 3605) prohibits discrimination in the financing of housing on the basis of race, color, religion, sex, or national origin. The Equal Credit Opportunity Act (15 U.S.C. 1691 *et seq.*) prohibits discrimination in any aspect of a credit transaction on the basis of race, color, religion, national origin, sex, marital status, age, receipt of income from public assistance, or exercise of any right under the Consumer Credit Protection Act. The OCC is responsible for ensuring that national banks comply with those laws. This information in collection 12 CFR part 27 is needed to promote national bank compliance and for OCC to fulfill its statutory responsibilities.

The information collection requirements in 12 CFR part 27 are as follows:

- Section 27.3(a) requires national banks that are required to collect data on home loans under 12 CFR part 203 to present the data on Federal Reserve Form FR HMDA–LAR,<sup>1</sup> or in automated format in accordance with the HMDA–LAR instructions, and to include one

<sup>1</sup> Loan Application Register, <http://www.ffiec.gov/hmda/doc/hmdalar2007.doc>.

<sup>2</sup> The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Serv. Rail Lines*, 5 I.C.C. 2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

<sup>3</sup> Each OFA must be accompanied by the filing fee, which currently is set at \$1,500. See 49 CFR 1002.2(f)(25).

<sup>4</sup> A&F states that it does not own title to the real property comprising the line's right-of-way (ROW); rather, the title remains with CSX Transportation, Inc. (CSXT). According to A&F, when the line was sold in 1986 to an unaffiliated short line railroad predecessor of A&F (Alabama & Florida Railroad, Inc., or “A&F Railroad”), CSXT's predecessor, Seaboard System Railroad, Inc., conveyed to A&F Railroad the common carrier obligation associated with the line but retained for itself an ownership interest in the underlying real estate and remained as a lessor of the line's ROW. A&F states that it acquired the line from A&F Railroad subject to this arrangement with CSXT. Citing *Seminole Gulf Railway—Abandonment Exemption—in Lee County, Florida*, AB 400 (Sub-No. 2X) (ICC served Dec. 22, 1994), A&F states that it is now seeking abandonment authority on the understanding that it is the appropriate entity to do so and that CSXT does not need to file its own abandonment authority or otherwise join in this request. A&F states that it believes that the ROW might be suitable for other public purposes, if CSXT is amenable to such an arrangement.
