

Marsan is the successor-in-interest to Gidasa. In its December 3, 2008, and March 16, 2009, submissions Marsan provided evidence supporting its claim to be the successor-in-interest to Gidasa. Documentation attached to Marsan's December 3, 2008, submission shows that the acquisition of Gidasa by MGS Marmara Gida Sanayi ve Ticaret A.S. ("MGS") and the following name change to Marsan resulted in little or no change in management, production facilities, supplier relationships, or customer base. This documentation consists of: (1) organizational charts of both Marsan and Gidasa; (2) the documentation of the name change from Gidasa to Marsan; (3) a list of products before and after the acquisition of Gidasa by MGS; (4) a list of suppliers before and after the name change from Gidasa to Marsan; (5) a list of home market and U.S. customers before and after the name change from Gidasa to Marsan; (6) MGS's articles and notice of incorporation; (7) MGS's 2007 management report to shareholders; and (8) MGS's 2008 draft income statement and balance sheet. The documentation described above demonstrates that there was little to no change in management structure, supplier relationships, production facilities, or customer base and, thus, the operations of Marsan are essentially the same as the operations of Gidasa.

Therefore, we find that Marsan is the successor-in-interest to Gidasa and, thus, should receive the same antidumping duty treatment with respect certain pasta from Turkey as the former Gidasa.

The cash deposit determination from this changed circumstances review will apply to all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this changed circumstances review. *See Granular Polytetrafluoroethylene Resin from Italy; Final Results of Antidumping Duty Changed Circumstances Review*, 68 FR 25327 (May 12, 2003). This deposit rate shall remain in effect until publication of the final results of the next administrative review in which Marsan participates.

ACTION: Notice of opportunity for appointment to serve as a district export council member.

SUMMARY: The U.S. Department of Commerce is currently seeking nominations of individuals for consideration for appointment by the Secretary of Commerce to serve as a member of one of the sixty District Export Councils (DECs) nationwide. The DECs are closely affiliated with the U.S. Export Assistance Centers (USEACs) of the U.S. and Foreign Commercial Service (Commercial Service). DECs combine the energies of more than 1,500 exporters and export service providers to promote U.S. exports. DEC members volunteer at their own expense.

DATES: Nominations for individuals to a DEC must be received by the local USEAC Director by close of business local time on July 15, 2009.

FOR FURTHER INFORMATION CONTACT:

Please contact the Director of your local USEAC for more information on DECs and the nomination process. You may identify your local USEAC by searching your Zip Code online at: <http://www.buyusa.gov/home/export.html>. For general program information, contact Dan Keenaghan, National District Export Council Program Manager, U.S. and Foreign Commercial Service, tel. (202) 482-1836.

SUPPLEMENTARY INFORMATION: DECs sponsor and participate in numerous trade promotion activities, as well as supply specialized expertise to small and medium-sized businesses that are interested in exporting.

Selection Process: 30 positions are held on each of the 60 DECs across the country. Approximately half of the positions are open on each DEC for the

four-year term from January 1, 2010 to December 31, 2013. DEC members serve at the pleasure of the Secretary.

Nominations are received by the local U.S. Export Assistance Center Director, and recommendations are made to the Secretary in consultation with the local DEC Chairperson. After completion of the vetting process, nominees are selected for appointment to a DEC.

Membership Criteria: The USEAC Directors are interested in nominating highly-motivated people. Appointment is based upon an individual's international trade leadership in the local community, ability to influence the local environment for exporting, knowledge of day-to-day international operations, interest in export development, and willingness and ability to devote time to council activities. Members include exporters, export service providers and others whose profession supports U.S. export promotion efforts. The Department strives to have DEC membership reflect the diversity of the local business community, including encompassing a broad range of businesses. AGENCY: Department of the Navy, DoD.

ACTION: Notice.

SUMMARY: The Department of the Navy (DoN) hereby gives notice of the availability for donation, under the authority of 10 U.S.C. 7306, of the test craft ex-SEA SHADOW (IX 529) and the Hughes Mining Barge (HMB-1), both located at the Maritime Administration's Suisun Bay National Defense Reserve Fleet, Benicia, CA.
