Public Meeting of the Northwest District Resource Advisory Council, Colorado

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of public meeting.

SUMMARY: In accordance with the Federal Land Policy and Management Act of 1976 and the Federal Advisory Committee Act of 1972, the U.S. Department of the Interior, Bureau of Land Management (BLM) Colorado’s Northwest Resource Advisory Council (RAC) is announcing its 2024 winter meeting.

DATES: The Northwest RAC will meet in-person on February 28, 2024, from 10 a.m. to 4 p.m. Mountain Time (MT). The meeting is open to the public.

ADDRESSES: The meeting will be held at the BLM’s Little Snake Field Office, 455 Emerson St., Craig, CO 81625. A virtual participation option will be offered through the Zoom platform. Registration for the virtual meeting will be available on the RAC’s web page 30 days in advance of the meeting at <https://www.blm.gov/get-involved/resource-advisory-council/near-you/colorado/northwest-rac>.

FOR FURTHER INFORMATION CONTACT: JD Emerson, Public Affairs Specialist; BLM Northwest District Office, 455 Emerson St., Craig, CO, 81625; telephone: (970) 826–5101; email: jemerson@blm.gov. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or Tele Braille) to access telecommunications relay services for contacting JD Emerson. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: The 15-member Northwest RAC advises the Secretary of the Interior, through the BLM, on a variety of public land issues in the Northwest District, which

includes the Kremmling, Little Snake, and White River Field Offices; and the Upper Colorado River Valley District, which includes the Grand Junction and Colorado River Valley Field Offices along with the Dominguez-Escalante and McInnis Canyons National Conservation Areas. Agenda items include field manager updates, discussions on orphaned wells, planning updates, and a presentation by Colorado Parks and Wildlife on sage grouse.

A public comment period is scheduled for 3 p.m. MT. Comments may be limited due to time constraints. The public may present written comments to the Northwest RAC at least 2 weeks in advance to the meeting to the contact listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice. Please include “RAC Comment” in your submission. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Please make requests in advance for sign-language interpreter services, assistive listening devices, or other reasonable accommodations. We ask that you contact the individual listed in the **FOR FURTHER INFORMATION CONTACT** at least 7 business days prior to the meeting to give the Department of the Interior sufficient time to process your request. All reasonable accommodation requests are managed on a case-by-case basis.

Detailed meeting minutes for the RAC meetings will be maintained in the Northwest District Office and will be available for public inspection and reproduction during regular business hours within 90 days following the meeting. Previous minutes and agendas are also available on the RAC’s web page listed in the **ADDRESSES** section of this notice.

Number 1029–0061]

Submission to the Office of Management and Budget for Review and Approval; Permanent Regulatory Program—Small Operator Assistance Program

AGENCY: Office of Surface Mining Reclamation and Enforcement, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, we, the Office of Surface Mining Reclamation and Enforcement (OSMRE), are proposing to renew an information collection.

DATES: Interested persons are invited to submit comments on or before April 12, 2024.

ADDRESSES: Send your comments on this information collection request (ICR) by mail to Mark Gehlhar, Office of Surface Mining Reclamation and Enforcement, 1849 C Street NW, Room 4556–MIB, Washington, DC 20240, or by email to mgehlhar@osmre.gov. Please reference OMB Control Number 1029–0061 in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Mark Gehlhar by email at mgehlhar@osmre.gov, or by telephone at 202–208–2716. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States. You may also view the ICR at <http://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) and 5 CFR 1320.8(d)(1), we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public’s reporting burden. It also helps the

public understand our information collection requirements and provide the requested data in the desired format.

We are soliciting comments on the proposed ICR that is described below. We are especially interested in public comment addressing the following issues: (1) is the collection necessary to the proper functions of the agency; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the agency enhance the quality, utility, and clarity of the information to be collected; and (5) how might the agency minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: Sections 507(b), 508(a), 510(b), 515(b) and (d), and 522 of 30 U.S.C. 1201 *et seq.* require applicants to submit operation and reclamation plans for coal mining activities. This information collection is needed to determine whether the plans will achieve the reclamation and environmental protections pursuant to the Surface Mining Control and Reclamation Act. Without this information, Federal and State regulatory authorities cannot review and approve permit application requests.

Title of Collection: Surface Mining Permit Applications—Minimum Requirements for Reclamation and Operation Plan.
