

this investigation would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) explain how the articles potentially subject to the recommended orders are used in the United States;

(ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;

(iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;

(iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the recommended exclusion order and/or a cease and desist order within a commercially reasonable time; and

(v) explain how the limited exclusion order would impact consumers in the United States.

Written submissions must be filed no later than by close of business on May 3, 2013.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above and submit 8 true paper copies to the Office of the Secretary by noon the next day pursuant to section 210.4(f) of the Commission's Rules of Practice and Procedure (19 CFR 210.4(f)). Submissions should refer to the investigation number ("Inv. No. 830") in a prominent place on the cover page and/or the first page. (See Handbook for Electronic Filing Procedures, http://www.usitc.gov/secretary/fed_reg_notices/rules/handbook_on_electronic_filing.pdf). Persons with questions regarding filing should contact the Secretary, (202) 205-2000.

Any person desiring to submit a document to the Commission in confidence must request confidential treatment. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 201.6. Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. A redacted non-confidential version of the document must also be filed simultaneously with the any confidential filing. All non-

confidential written submissions will be available for public inspection at the Office of the Secretary and on EDIS.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and of sections 201.10 and 210.50 of the Commission's Rules of Practice and Procedure (19 CFR 201.10, 210.50).

Issued: April 3, 2013.

By order of the Commission.

Lisa R. Barton,

Acting Secretary to the Commission.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act ("CAA")

On March 28, 2013, the Department of Justice lodged a proposed Consent Decree ("Decree") with the United States District Court for the Eastern District of Virginia in the lawsuit entitled *United States and Commonwealth of Virginia v. Honeywell Resins & Chemicals LLC*, Civil Action No. 3:13CV193.

In this action the United States and the Commonwealth of Virginia filed a complaint against Honeywell Resins & Chemicals LLC ("Honeywell" or "Defendant") seeking injunctive relief and civil penalties under Section 113(b) of the Clean Air Act ("CAA" or "the Act"), 42 U.S.C. 7413(b) and Virginia State Air Pollution Control Law, Virginia Code § 10.1-1300 *et seq.*, and attendant regulations, for the Defendant's alleged violations at the chemical manufacturing facility operated by Honeywell ("Honeywell Plant" or "Facility") located in Hopewell, Virginia. The Defendant operated and/or continues to operate the Facility in violation of various provisions which include failing to meet certain emission limits and operating parameters and failing to comply with certain requirements for testing, monitoring, recordkeeping and reporting. The Consent Decree requires Honeywell to implement enhanced leak detection and repair protocols, conduct a third-party audit to address benzene waste emissions, and install pollution control equipment to control nitrogen oxide emissions from the Facility. The Decree also requires the Defendant to pay the sum of \$1.5 million dollars cash, including interest, to the United States as a civil penalty and \$1.5 million dollars cash, including interest, to the Commonwealth as a civil penalty.

The publication of this notice opens a period for public comment on the Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Honeywell Resins & Chemicals LLC*, D.J. Ref. No. 90-5-2-1-09611. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
