Title of Collection: Office of State Support Progress Check Quarterly Protocol.

OMB Control Number: 1810–0733.

Type of Review: An extension without change of a currently approved ICR.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 212.

Total Estimated Number of Annual Burden Hours: 636.

Abstract: The Office of School Support and Accountability (SSA) administers Title I, Sections 1001–1004 (School Improvement); Title I, Part A (Improving Basic Programs Operated by Local Educational Agencies); Title I, Part B Grants for State Assessments and Related Activities; Title II, Part A (Supporting Effective Instruction); Title I, Part D (Neglected, Delinquent, or At-Risk); Title IV, Part B (21st Century Community Learning Centers); and McKinney-Vento Education for Homeless Children and Youth Program. Quarterly progress checks, phone or in-person conversations every three months of a fiscal year with State directors and coordinators, help ensure that State Educational Agencies (SEAs) are making progress toward increasing student achievement and improving the

quality of instruction for all students through regular conversations about the quality of SEA implementation of SSA administered programs. The information shared with SSA helps inform the selection and delivery of technical assistance to SEAs and aligns structures, processes, and routines so SSA can regularly monitor the connection between grant administration and intended outcomes. Progress checks also allow SSA to proactively engage with SEAs to identify any issues ahead of formal monitoring visits, decreasing the need for enforcement actions and minimizing burden for SEAs. This is a request for a renewal without change of this collection.

Tests Determined To Be Suitable for Use in the National Reporting System for Adult Education

AGENCY: Office of Career, Technical, and Adult Education, Department of Education.

ACTION: Notice.

SUMMARY: The Secretary announces an extension of the sunset period for English as a Second Language (ESL) tests with National Reporting System for Adult Education (NRS) approvals that expired on February 2, 2024. The sunset period for these tests is extended to June 30, 2025. This notice relates to the approved information collections under OMB control numbers 1830–0027 and 1830–0567.

FOR FURTHER INFORMATION CONTACT: John LeMaster, Department of Education, 400 Maryland Avenue SW, Washington, DC 20202. Telephone: (202) 987–0903. Email: John.LeMaster@ed.gov.

If you are deaf, hard of hearing, or have a speech disability and wish to access telecommunications relay services, please dial 7–1–1.

SUPPLEMENTARY INFORMATION: On July 13, 2023, the Secretary published in the **Federal Register** (88 FR 44784) an annual notice announcing tests determined to be suitable for use in the NRS, in accordance with 34 CFR 462.13 (July 2023 notice). The July 2023 notice identified three new tests that measure the NRS educational functioning levels

for Adult Basic Education (ABE) and four new tests that measure the new NRS educational functioning levels for ESL. With the Secretary's approval of the new ESL tests in the July 2023 notice, the new educational functioning levels for ESL described in appendix A of Measures and Methods for the National Reporting System for Adult Education (OMB Control Number: 1830-0027) were implemented.

Under the transition rules in § 462.4, the Secretary also announced in the July 2023 notice a list of tests with NRS approvals expiring on February 2, 2024, and March 7, 2024, that States and local eligible providers may continue to use during a sunset period ending on June 30, 2024.

In this notice, under the transition rules in § 462.4, the Secretary announces that the sunset period for ESL tests scheduled to sunset on June 30, 2024, is extended through June 30, 2025. This extension of the sunset period will allow States sufficient time for the operational activities required for the transition to the new ESL assessments identified in the July 2023 notice.

The ESL educational functioning level descriptors to which the ESL tests with expiring NRS approvals are aligned and that were scheduled to be retired on June 30, 2024, are extended through June 30, 2025. Until that time, both the current ESL educational functioning level descriptors and the new ESL educational functioning level descriptors will be in effect. States must use an ESL assessment that is aligned to the appropriate ESL educational functioning level descriptors.

Adult education programs must use only the forms and computer-based delivery formats for the tests approved in this notice. If a particular test form or computer delivery format is not explicitly specified for a test in this notice, it is not approved to measure educational gain in the NRS.

Tests With NRS Approvals That Expired on February 2, 2024, Previously Allowed for Use in the NRS During a Sunset Period Ending on June 30, 2024, and Now Allowed for Use During an Extended Sunset Period Ending on June 30, 2025
