Notice of Availability of the Draft Environmental Impact Statement for the Prado Basin Master Plan, San Bernardino and Riverside Counties, CA

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.

ACTION: Notice of availability.

SUMMARY: The Environmental Impact Statement (EIS) addresses potential environmental impacts associated with the proposed Prado Basin Master Plan, and identifies recommended measures to reduce such impacts. The Prado Basin Master Plan proposes a range of recreation uses and features for identified planning areas with the Basin. Specific site plans and layouts for these proposed uses would be prepared when future specific development plans are proposed. The impact discussion, in turn, is purposely general in nature, and recommended measures to reduce impacts allow for flexibility. The potential impacts as stated and the commitment to minimize impacts are intended to provide a framework for future proposals. They also provide some guidelines for impacts that will require mitigation; short of making untimely, detailed, recommendations. This approach allows future recreation development sponsors the appropriate
