Further, any other party engaged on behalf of the JPMC Affiliated QPAMs and the JPMC Related QPAMs who had responsibility for, or exercised authority in connection with the management of plan assets did not receive direct compensation, or knowingly receive indirect compensation, in connection with the conduct underlying the DPA.

(w) With respect to an asset manager that becomes a JPMC Affiliated QPAM after the effective date of this exemption by virtue of being acquired (in whole or in part) by JPMC or a subsidiary or affiliate of JPMC (a “newly-acquired JPMC Affiliated QPAM”), the newly-acquired JPMC Affiliated QPAM would not be precluded from relying on the exemptive relief provided by PTE 84–14 notwithstanding the Conviction as of the closing date for the acquisition; however, the operative terms of the exemption shall not apply to the newly-acquired JPMC Affiliated QPAM until a date that is six (6) months after the closing date for the acquisition. To that end, the newly-acquired JPMC Affiliated QPAM will initially submit to an audit pursuant to Section III(i) of this exemption as of the first audit period that begins following the closing date for the acquisition. The period covered by the audit must begin on the date on which the JPMC Affiliated QPAM was acquired.

Effective Date: This exemption is effective for a period of four years, beginning on January 10, 2023, and ending on January 9, 2027.

Accordingly, after considering the entire record developed in connection with the Applicant’s exemption application, the Department has determined to grant the exemption described above.

Signed at Washington, DC.
