The Paperwork Reduction Act (PRA) requires federal agencies to publish a notice in the **Federal Register** concerning each proposed collection of information before submission to OMB, and to allow 60 days for public comment in response to the notice. This notice complies with that requirement. **DATES:** Submit comments on or before May 17, 2022.

SUPPLEMENTARY INFORMATION: Under its Surety Bond Guarantee Program (SBG Program), the U.S. Small Business Administration is authorized to guarantee a bid bond, payment bond, performance bond, as well as any required related ancillary bonds, on a contract issued to a small business contractor up to \$6.5 million or up to \$10 million if a Federal contracting officer certifies that SBA's guarantee is necessary. See Title IV of the Small Business Investment Act (SBIA), part B, 15 U.S.C. 694a *et seq.* The SBG Program was created to encourage surety companies to issue bonds for small business contractors. The SBIA authorizes SBA to establish the terms and conditions for providing surety bond guarantee assistance and for paying claims resulting from any contractor defaults.

This information collection consists of forms relating to the application

process for an SBA-guaranteed bond and claims for the reimbursement of losses, including SBA Forms 990, 991, 994, 994B, 994F, and 994H. Except in the case of SBA Form 994H, SBA uses the information to evaluate whether the small business applicant meets the eligibility requirements for a surety bond, as well as the likelihood that the small business will successfully complete the bonded contract. The information collected for this purpose includes: Demographics on all owners of the bond applicant, which has no bearing on the credit decision; the status of any current or past SBA financial assistance provided to the applicant; NAICS code for applicant's industry; financial statements; contract amount and nature of contract performance; and in the event performance has begun, evidence that applicant has paid all suppliers and subcontractors. With respect to SBA Form 994H, SBA uses the information collected to evaluate the surety's claim for reimbursement of losses. Surety is required to provide information regarding the date the small business defaulted on the contract; the reason for the default, the amount of any recoveries, and any additional information that would support the surety's claim for reimbursement.

Abstract of Proposed Collection

To obtain biographical information about children overseas who intend to seek access to the USRAP, as well as other eligible family members or caregivers, for verification by the U.S. government. This form also assists DHS's U.S. Citizenship and Immigration Services to verify parent-child relationships during refugee case adjudication. This form is necessary for implementation of this program.

Methodology

Working with a State Department contracted Resettlement Agencies (RA), qualifying individuals in the United States must complete the AOR and submit supporting documentation to: (a) Establish that they meet the requirements for being a qualifying individual who currently falls into one of the aforementioned categories; (b) provide a list of qualifying family members who may seek access to refugee resettlement in the United States. Once completed, the form is sent by the RA to the Refugee Processing Center (RPC) for case creation and processing. The information is used by the RPC for case management; by USCIS to determine that the qualifying individual falls into one of the aforementioned categories; and by the Resettlement Support Center (RSC) for case prescreening and further processing after DHS interview. The International Organization for Migration (IOM) administers the RSC in Latin America under a Memorandum of Understanding with the Department to

conduct case prescreening and assist in the processing of refugee applicants.
